**Attachments:** Millinocket Specialty Minerals AMD-2\_LTR.pdf

Hi John,

Good speaking with you today. As discussed this District expires on 9/9/16. Seeing your fiscal year runs July 1 to June 30, Millinocket could within reason take until 6/30/17 to spend down any municipal allocation remaining in project cost account for this District. That is because 9/9/16 matches up with your FY2016-17.

After that time, any so called TIF revenues should be sent to your general fund. At which point you would report the associated equalized assessed value as you normally do. Once in your GF and therefore outside of the TIF Program, the capture/sheltering benefit no longer applies and there would be an adjustment to State Aid to Education, Revenue Sharing and likely, county taxes.

In the first scenario, the account balance can only be spent as approved by the Commissioner.

Please let me know if this mirrors what we discussed or you have additional questions/thoughts.

Sincerely,

**RE: Specialty Minerals, Inc. Tax Increment Financing (TIF) District/Program, Second Amendment**

Dear Mr. Conlogue,

The Maine Department of Economic and Community Development (Department) has reviewed and effective today approved your application for a second amendment (AMD-2) to the above referenced September 10, 2001 TIF Original District (OD). This letter certifies District/Program to be in compliance and full effect. Based on Town application, the Department notes/restates the following:

- a. District term is 15 years through September 9, 2016;
- b. Captured Assessed Value (CAV) is 100% of real and personal property improvements;
- c. TIF revenues must be deposited/held in dedicated Project Cost accounts (company reimbursement; municipal projects) and applied only toward approved project costs. Town does not have approval to incur any public indebtedness at this time;
- d. Even if closed before full term, Town must notify Department when TIF District ends;
- e. Unsheltered incremental property values that generate General Fund (GF) revenues, if any, to be included with City equalized assessed value (EAV);
- f. Future amendments must comply with TIF statute and Department rules governing TIF districts;
- g. District Original Assessed Value (OAV) was \$3,648 as of March 31, 2001.

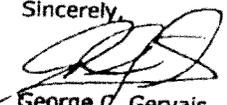

Use of TIF revenues approved\* toward municipal activities/costs per OD and AMD-1, -2 applications, projected at a combined \$1,740,000:

- h. IN DISTRICT administration \$15,000
- i. OUTSIDE DISTRICT blight remediation \$556,000
- j. MUNICIPAL recreational trails \$44,000; economic development (ED) strategy and promotion \$250,000; ED services/consulting \$525,000; tourism promotion \$250,000; business attraction \$100,000

\* Funding for projects must comply with municipal appropriation process
