The Katahdin Region Multi-Use Trail

Managed by the Northern Timber Cruisers Club in cooperation with Katahdin Forest Management (landowner)

Northern Timber Cruisers wishes to communicate the permitted uses of the Katahdin Region Multi-use Trail as well as the timing of the various types of use over the course of the year in order to promote an enjoyable experience for all users of the trail and to adhere to its permit with the landowner, Katahdin Forest Management.

The Multi-Use Trail is open to both non-motorized and motorized use under the following rules:

- ❖ Enjoy and share the trail! Different users will be travelling at different speeds.
- ❖ Show respect to other trail users and practice good land use ethics.
- ❖ Motorized users must yield to non-motorized users.
- ❖ Slower traffic: stay to the right side of the trail. Faster travelers should alert the user they are passing and then pass on the left only when the trail is clear and the slower travelers are aware of your presence and intent to pass.
