## **Town Manager's Report April 27, 2017**

- 1. Next Meetings – to be held in Council Chambers at 4:30 p.m.**
  - A. May 4, 2017 Budget Meeting**
  - B. May 11, 2017 Regular Council Meeting**
  - C. May 25, 2017 Regular Council Meeting**
- 2. I received a call from Mike Faloon of Our Katahdin informing me that in order to get Broadband installed on Main Street, transponders will have to be located on the roof of a couple of buildings, one of which is the Municipal Building. Mike is also looking for a way to get the high speed Internet hooked up in the Town Office at no extra cost.**
- 3. Town Budget-**The budget workshops have been going well. We will be meeting again on Thursday, May 4<sup>th</sup>, at 4:30 to go over the Wastewater Operating and capital budgets. We can then start doing our general deliberations.
- 4. State Budget-**There is a flurry of activity going on in Augusta. **LD 1226** could end up requiring municipalities to spend revenue they collect from excise taxes on transportation projects within their municipality. This would prove detrimental to the Town since the excise tax is our second largest source of revenue.

As it stands right now, the law bequeaths a blanket tax exemption to property owned by benevolent and charitable corporations that lease personal property to hospitals. **LD 1212** would oblige the state to reimburse the 32 municipalities where hospitals are located for 50% of the lost tax revenue these towns and cities experience as a result of the exemption.

**LD 1266** would ensure that property taxpayers have a seat at the county jail operations funding table. If the "LD 1" tax levy limit approach is enacted, the property taxpayer share of county jails could increase by as much as 6% annually, resulting in the tax assessment for county jails reaching \$69 million, up from \$65 million.

- 5. MRC Newsletter**-The Maine Business Court denied PERC's appeal and issued permits to the MRC and Fiberight for a new recycling, organics and solid waste processing project in Hampden, Maine. Despite the snow this winter, the access road and utilities are ready for Phase II construction. In more good news for the MRC, the FAME Board of Directors approved Fiberight's application to qualify the project to finance debt with the best interest available. This will give Fiberight access to tax free financing.
- 6. Property on 126 Lincoln Street**-An individual has expressed interest in demolishing the house if the town will give it to him free of charge. The Town was going to give the property to another person to tear down and build a garage but he purchased another piece of property closer to his residence.

Thanks for your response. I have a tentative schedule. These are some dates for you to look over. I can come on all dates mentioned. I usually play from 10am to 2 pm. If we could tie it in with a farmer's market or some similar event that would be a plus. In my excitement to move this project along, I neglected to ask if you could partially defray traveling expenses. Maybe \$25 for gas. If not, I understand. I forgot it's nearly 120 miles round trip. Here are the dates. Let me know if they sound good to you.  
April 5, May 5, June 16 I have scheduled you in for those dates on my calendar. If the event works out, we can add more dates. Thank you again for your consideration. Tim

Hi Tim,

It does not appear that the Town of Millinocket has an ordinance that does not allow busking. The Council voted last evening to allow you to it but you will have to conduct your performances in the business district area. They would also like to know when you plan on being here and for how long.

Best regards,

I am a musical entertainer and I am contacting many towns throughout Maine to set up my summer tour. My goal is to play every major town in Maine over the next few years. My question to you is this: Do you have any laws in your town that prohibit busking. I'll explain a little bit about what I do. I have a 1975 VW van that I travel in. I usually set up at a high- foot traffic area in your town and I play a variety of music, i.e. jazz, blues, classic rock and country. I have

**a decibel meter to make sure I conform to noise level regulations. I do not ask that you pay me. I work on a tip basis only. So, no cost to you. I would accept a tip for gas if you were so inclined but basically this is a free service to brighten up a downtown area or mall scenario. For more info, return this email, check out my Facebook page, Tim the Tuneman, or call me at 207-538-5164. Thanks in advance . Tim**
