Pines Pump Station Generator

The installation of the generator should be completed within a couple of weeks. The maintenance was done in-house which saved the town some money. I applaud the efforts of the WWTP employees.

Contract with Agera Energy

I had a conversation with Frank Boynton and was informed that the School Department already has an energy contract with another company. Frank believes that the school and town may be able to get a better deal and he will let me know when the school's contract expires. At any rate, I think the Council should wait until the spring of the year when prices for electricity will be lower.

Dean and I will be meeting with the representatives from the library on November 30th. I expect we will be able to work out our differences and bring an agreement back that the Council will accept.

NOTICE – SPECIAL ATTENTION

§653. Hearings; bureau review; appeal

1. Hearings. The municipal officers or, in the case of unincorporated places, the county commissioners of the county in which the unincorporated place is located, may hold a public hearing for the consideration of applications for new on-premises licenses and applications for transfer of location of existing on-premises licenses. The municipal officers or county commissioners may hold a public hearing for the consideration of requests for renewal of licenses, except that when an applicant has held a license for the prior 5 years and a complaint has not been filed against the applicant within that time, the applicant may request a waiver of the hearing.

A. The bureau shall prepare and supply application forms. [1993, c. 730, §27 (AMD).]

B. The municipal officers or the county commissioners, as the case may be, shall provide public notice of any hearing held under this section by causing a notice, at the applicant's prepaid expense, stating the name and place of hearing, to appear on at least 3 consecutive days before the date of hearing in a daily newspaper having general circulation in the municipality where the premises are located or one week before the date of the hearing in a weekly newspaper having general circulation in the municipality where the premises are located. [1995, c. 140, §4 (AMD).]

C. If the municipal officers or the county commissioners, as the case may be, fail to take final action on an application for a new on-premises license or transfer of the location of an existing on-premises license within 60 days of the filing of an application, the application is deemed approved and ready for action by the bureau. For purposes of this paragraph, the date of filing of the application is the date the application is received by the municipal officers or county commissioners. This paragraph applies to all applications pending before municipal officers or county commissioners as of the effective date of this paragraph as well as all applications filed on or after the effective date of this paragraph. This paragraph applies to an existing on-premises license that has been extended pending renewal. The municipal officers or the county commissioners shall take final action on an on-premises license that has been extended pending renewal within 120 days of the filing of the application. [2003, c. 213, §1 (AMD).]

D. If an application is approved by the municipal officers or the county commissioners but the bureau finds, after inspection of the premises and the records of the applicant, that the applicant does not qualify for the class of license applied for, the bureau shall notify the applicant of that fact in writing. The bureau shall give the applicant 30 days to file an amended application for the appropriate class of license, accompanied by any additional license fee, with the municipal officers or county commissioners, as the case may be. If the applicant fails to file an amended application within 30 days, the original application must be denied by the bureau. The bureau shall notify the applicant in writing of its decision to deny the application including the reasons for the denial and the rights of appeal of the applicant. [1995, c. 140, §5 (NEW).] [2003, c. 213, §1 (AMD).]

2. Findings. In granting or denying an application, the municipal officers or the county commissioners shall indicate the reasons for their decision and provide a copy to the applicant. A license may be denied on one or more of the following grounds:

A. Conviction of the applicant of any Class A, Class B or Class C crime; [1987, c. 45, Pt. A, §4 (NEW).]
B. Noncompliance of the licensed premises or its use with any local zoning ordinance or other land use ordinance not directly related to liquor control; [1987, c. 45, Pt. A, §4 (NEW).]

C. Conditions of record such as waste disposal violations, health or safety violations or repeated parking or traffic violations on or in the vicinity of the licensed premises and caused by persons patronizing or employed by the licensed premises or other such conditions caused by persons patronizing or employed by the licensed premises that unreasonably disturb, interfere with or affect the ability of persons or businesses residing or located in the vicinity of the licensed premises to use their property in a reasonable manner; [1993, c. 730, §27 (AMD).]

D. Repeated incidents of record of breaches of the peace, disorderly conduct, vandalism or other violations of law on or in the vicinity of the licensed premises and caused by persons patronizing or employed by the licensed premises; [1989, c. 592, §3 (AMD).]

E. A violation of any provision of this Title; [2009, c. 81, §1 (AMD).]

F. A determination by the municipal officers or county commissioners that the purpose of the application is to circumvent the provisions of section 601; and [2009, c. 81, §2 (AMD).]

G. After September 1, 2010, server training, in a program certified by the bureau and required by local ordinance, has not been completed by individuals who serve alcoholic beverages. [2009, c. 81, §3 (NEW).]

[2009, c. 81, §§1-3 (AMD) .]

3. Appeal to bureau. Any applicant aggrieved by the decision of the municipal officers or county commissioners under this section may appeal to the bureau within 15 days of the receipt of the written decision of the municipal officers or county commissioners. The bureau shall hold a public hearing in the city, town or unincorporated place where the premises are situated. In acting on such an appeal, the bureau may consider all licensure requirements and findings referred to in subsection 2.

A. [1993, c. 730, §27 (RP).]

B. If the decision appealed from is an application denial, the bureau may issue the license only if it finds by clear and convincing evidence that the decision was without justifiable cause. [1993, c. 730, §27 (AMD) .]

[1995, c. 140, §6 (AMD) .]

4. No license to person who moved to obtain a license. [1987, c. 342, §32 (RP) .]

5. Appeal to District Court. Any person or governmental entity aggrieved by a bureau decision under this section may appeal the decision to the District Court within 30 days of receipt of the written decision of the bureau.

An applicant who files an appeal or who has an appeal pending shall pay the annual license fee the applicant would otherwise pay. Upon resolution of the appeal, if an applicant's license renewal is denied, the bureau shall refund the applicant the prorated amount of the unused license fee.

[1995, c. 140, §7 (AMD); 1999, c. 547, Pt. B, §78 (AMD); 1999, c. 547, Pt. B, §80 (AFF) .]

NOTICE - SPECIAL ATTENTION

§653. Hearings; bureau review; appeal

1. Hearings. The municipal officers or, in the case of unincorporated places, the county commissioners of the county in which the unincorporated place is located, may hold a public hearing for the consideration of applications for new on-premises licenses and applications for transfer of location of existing on-premises licenses. The municipal officers or county commissioners may hold a public hearing for the consideration of requests for renewal of licenses, except that when an applicant has held a license for the prior 5 years and a complaint has not been filed against the applicant within that time, the applicant may request a waiver of the hearing.

A. The bureau shall prepare and supply application forms. [1993, c. 730, §27 (AMD).]

E. The municipal officers or the county commissioners, as the case may be, shall provide public notice of any hearing held under this section by causing a notice, at the applicant's prepaid expense, stating the name and place of hearing, to appear on at least 3 consecutive days before the date of hearing in a daily newspaper having general circulation in the municipality where the premises are located or one week before the date of the hearing in a weekly newspaper having general circulation in the municipality where the premises are located. [1995, c. 140, §4 (AMD).]

C. If the municipal officers or the county commissioners, as the case may be, fail to take final action on an application for a new on-premises license or transfer of the location of an existing on-premises license within 60 days of the filing of an application, the application is deemed approved and ready for action by the bureau. For purposes of this paragraph, the date of filing of the application is the date the application is received by the municipal officers or county commissioners. This paragraph applies to all applications pending before municipal officers or county commissioners as of the effective date of this paragraph as well as all applications filed on or after the effective date of this paragraph. This paragraph applies to an existing on-premises license that has been extended pending renewal. The municipal officers or the county commissioners shall take final action on an on-premises license that has been extended pending renewal within 120 days of the filing of the application. [2003, c. 213, §1 (AMD).]

D. If an application is approved by the municipal officers or the county commissioners but the bureau finds, after inspection of the premises and the records of the applicant, that the applicant does not qualify for the class of license applied for, the bureau shall notify the applicant of that fact in writing. The bureau shall give the applicant 30 days to file an amended application for the appropriate class of license, accompanied by any additional license fee, with the municipal officers or county commissioners, as the case may be. If the applicant fails to file an amended application within 30 days, the original application must be denied by the bureau. The bureau shall notify the applicant in writing of its decision to deny the application including the reasons for the denial and the rights of appeal of the applicant. [1995, c. 140, §5 (NEW).] [2003, c. 213, §1 (AMD).]

2. Findings. In granting or denying an application, the municipal officers or the county commissioners shall indicate the reasons for their decision and provide a copy to the applicant. A license may be denied on one or more of the following grounds:

- A. Conviction of the applicant of any Class A, Class B or Class C crime; [1987, c. 45, Pt. A, §4 (NEW).]
- B. Noncompliance of the licensed premises or its use with any local zoning ordinance or other land use ordinance not directly related to liquor control; [1987, c. 45, Pt. A, §4 (NEW).]
- C. Conditions of record such as waste disposal violations, health or safety violations or repeated parking or traffic violations on or in the vicinity of the licensed premises and caused by persons patronizing or employed by the licensed premises or other such conditions caused by persons patronizing or employed by the licensed premises that unreasonably disturb, interfere with or affect the ability of persons or businesses residing or located in the vicinity of the licensed premises to use their property in a reasonable manner; [1993, c. 730, §27 (AMD).]
- D. Repeated incidents of record of breaches of the peace, disorderly conduct, vandalism or other violations of law on or in the vicinity of the licensed premises and caused by persons patronizing or employed by the licensed premises; [1989, c. 592, §3 (AMD).]
- E. A violation of any provision of this Title; [2009, c. 81, §1 (AMD).]
- F. A determination by the municipal officers or county commissioners that the purpose of the application is to circumvent the provisions of section 601; and [2009, c. 81, §2 (AMD).]
- G. After September 1, 2010, server training, in a program certified by the bureau and required by local ordinance, has not been completed by individuals who serve alcoholic beverages. [2009, c. 81, §3 (NEW).]

[2009, c. 81, §§1-3 (AMD) .]

3. Appeal to bureau. Any applicant aggrieved by the decision of the municipal officers or county commissioners under this section may appeal to the bureau within 15 days of the receipt of the written decision of the municipal officers or county commissioners. The bureau shall hold a public hearing in the city, town or unincorporated place where the premises are situated. In acting on such an appeal, the bureau may consider all licensure requirements and findings referred to in subsection 2.

- A. [1993, c. 730, §27 (RP).]
- B. If the decision appealed from is an application denial, the bureau may issue the license only if it finds by clear and convincing evidence that the decision was without justifiable cause. [1993, c. 730, §27 (AMD) .]

[1995, c. 140, §6 (AMD) .]

4. No license to person who moved to obtain a license. [1987, c. 342, §32 (RP) .]

5. Appeal to District Court. Any person or governmental entity aggrieved by a bureau decision under this section may appeal the decision to the District Court within 30 days of receipt of the written decision of the bureau.

An applicant who files an appeal or who has an appeal pending shall pay the annual license fee the applicant would otherwise pay. Upon resolution of the appeal, if an applicant's license renewal is denied, the bureau shall refund the applicant the prorated amount of the unused license fee.

[1995, c. 140, §7 (AMD); 1999, c. 547, Pt. B, §78 (AMD); 1999, c. 547, Pt. B, §80 (AFF) .]

THIS APPROVAL EXPIRES IN 60 DAYS

NOTICE – SPECIAL ATTENTION

§653. Hearings; bureau review; appeal

1. Hearings. The municipal officers or, in the case of unincorporated places, the county commissioners of the county in which the unincorporated place is located, may hold a public hearing for the consideration of applications for new on-premises licenses and applications for transfer of location of existing on-premises licenses. The municipal officers or county commissioners may hold a public hearing for the consideration of requests for renewal of licenses, except that when an applicant has held a license for the prior 5 years and a complaint has not been filed against the applicant within that time, the applicant may request a waiver of the hearing.

A. The bureau shall prepare and supply application forms. [1993, c. 730, §27 (AMD).]

B. The municipal officers or the county commissioners, as the case may be, shall provide public notice of any hearing held under this section by causing a notice, at the applicant's prepaid expense, stating the name and place of hearing, to appear on at least 3 consecutive days before the date of hearing in a daily newspaper having general circulation in the municipality where the premises are located or one week before the date of the hearing in a weekly newspaper having general circulation in the municipality where the premises are located. [1995, c. 140, §4 (AMD).]

C. If the municipal officers or the county commissioners, as the case may be, fail to take final action on an application for a new on-premises license or transfer of the location of an existing on-premises license within 60 days of the filing of an application, the application is deemed approved and ready for action by the bureau. For purposes of this paragraph, the date of filing of the application is the date the application is received by the municipal officers or county commissioners. This paragraph applies to all applications pending before municipal officers or county commissioners as of the effective date of this paragraph as well as all applications filed on or after the effective date of this paragraph. This paragraph applies to an existing on-premises license that has been extended pending renewal. The municipal officers or the county commissioners shall take final action on an on-premises license that has been extended pending renewal within 120 days of the filing of the application. [2003, c. 213, §1 (AMD).]

D. If an application is approved by the municipal officers or the county commissioners but the bureau finds, after inspection of the premises and the records of the applicant, that the applicant does not qualify for the class of license applied for, the bureau shall notify the applicant of that fact in writing. The bureau shall give the applicant 30 days to file an amended application for the appropriate class of license, accompanied by any additional license fee, with the municipal officers or county commissioners, as the case may be. If the applicant fails to file an amended application within 30 days, the original application must be denied by the bureau. §653. Hearings; bureau review; appeal

1. Hearings. The municipal officers or, in the case of unincorporated places, the county commissioners of the county in which the unincorporated place is located, may hold a public hearing for the consideration of applications for new on-premises licenses and applications for transfer of location of existing on-premises licenses. The municipal officers or county commissioners may hold a public hearing for the consideration of requests for renewal of licenses, except that when an applicant has held a license for the prior 5 years and a complaint has not been filed against the applicant within that time, the applicant may request a waiver of the hearing.

A. The bureau shall prepare and supply application forms. [1993, c. 730, §27 (AMD).]

B. The municipal officers or the county commissioners, as the case may be, shall provide public notice of any hearing held under this section by causing a notice, at the applicant's prepaid expense, stating the name and place of hearing, to appear on at least 3 consecutive days before the date of hearing in a daily newspaper having general circulation in the municipality where the premises are located or one week before the date of the hearing in a weekly newspaper having general circulation in the municipality where the premises are located. For purposes of this paragraph, the date of filing of the application is the date the application is received by the municipal officers or county commissioners. This paragraph applies to all applications pending before municipal officers or county commissioners as of the effective date of this paragraph as well as all applications filed on or after the effective date of this paragraph. This paragraph applies to an existing on-premises license that has been extended pending renewal. The municipal officers or the county commissioners shall take final action on an on-premises license that has been extended pending renewal within 120 days of the filing of the application. [2003, c. 213, §1 (AMD).]

Richard, Sr. and Nathalie 'Money' Murphy McGibbon

Richard McGibbon was born in Lewiston on September 10, 1929, the son of Llewellyn and Ella Mank McKenney McGibbon. After high school, he served his country in the U.S. Army, working as a stevedore, loading and unloading ships while stationed in Newfoundland and at Fort Eustis, VA.

Richard was employed for the majority of his work career at Great Northern Paper Company in Millinocket and is known for his elaborate doll house construction projects.

Nathalie 'Money' Murphy was born on June 18, 1932 and settled in Millinocket as a youngster with her mother, Mary Robichaud Murphy. She is a 1950 graduate of Stearns High School and entered the workforce with the F. O. Dasey Coal and Oil Company as a clerical employee. It was in this capacity that she first met Richard, who stopped by one day to place an order for his father. They were married on September 18, 1951 at St. Martin of Tours Catholic Church by Fr. Quinn.

While Richard was serving in the armed forces, 'Money' moved to PA where she found employment at one of the shipyards as a private secretary in the electrical department. After one year, she returned home to Millinocket at about the same time Richard was discharged from the army. They are the parents of two sons: Richard, Jr. of GA and Thomas of Millinocket. There are also two grandchildren in the family, Sean of Millinocket and Nichole of GA.

During the 1980s, Richard and 'Money' began doing some volunteering, leading an effort to construct a small home for Millinocket native and army veteran Richard Skinner. The McGibbons were also both Millinocket Town Councillors, serving together for three years (1983-86) with 'Money' extending her service time another fourteen years. She was also secretary and then president of the Millinocket Housing Corporation from 1980 to 2005. Additional time was spent with the Meals For ME program. Her volunteering efforts were met with so much support that when the effort commenced to build a home for Mr. Skinner, she became incorporated as Money's Angels.

Now pretty much retired, Richard and 'Money' have a treasure trove of memories of their life of assisting others.

The McGibbons - continued

They continue to reside in Millinocket with 'Money' tending to Richard's needs and enjoying knitting, crocheting, reading and watching television game shows. And as for how the nickname 'Money' came about...Nathalie was born during the Depression era and her parents, like most from that time, had close to nothing to their name. When Nathalie was born, they considered her their biggest asset, therefore, their 'Money.'

Richard E. Skinner

Richard Skinner (below) was born on May 19, 1928 in Millinocket, the son of Edward M. and Nellie Guigey Skinner. A U.S. Army veteran, serving during the Korean Era, Richard made a name for himself in the service, and back at home, as an entertainer. His credits include performing with the legendary Hank Williams while in uniform. Richard was one of the many beneficiaries of the McGibbons volunteering efforts before he passed away on August 23, 2007.

Jim Guerra - Jim Guerra has been working in solid waste management for thirty years and particularly at the municipal level since the early 90's. With public and private experience in most aspects of solid waste management he brings solid "nuts and bolts" experience to the MRC Board. He is just finishing his first three year term with the MRC and currently serves as Vice President. He is very interested in seeing the Fiberight project to fruition while, at the same time, advocating for the rights of departing members from the MRC. Jim currently works at Mid Coast Solid Waste in Rockport (a departing member) which includes an MSW transfer facility as well as a remediation site operated as a CDD landfill under a Consent Agreement with the State. Jim recently completed five years on the Maine Resource Recovery Association's Board of Directors and loves to fish and hunt wild mushrooms around his home in Hope.

Wayne Kraeger - Organic farmer for many years. Member of MOFGA from 1999 to 2008. Current member of Recycling Committee in Stockton Springs. Former Selectman in Stockton Springs 2012 – 2015. Member of former Budget Committee in Stockton Springs.

Chip Reeves – Chip Reeves has lived in Bar Harbor for most of his life, graduating from the University of Maine with a BS in Construction Management. Mr. Reeves has been the Public Works Director for the Town of Bar Harbor since 1997, where part of his duties include managing the Solid Waste Division. As Public Works Director, he has been dedicated to managing the Town of Bar Harbor's waste stream in order to reduce costs while still maintaining quality service levels that local taxpayers expect. Chip has been on the board for the past six years, the past four years as its president. He continues to find the decision making process of the MRC Board of Directors regarding the implementation of the post 2018 solution an interestingly huge challenge.

Tony Smith – I was elected to my first term on the Board in 2012 to serve from 2013-2015. I was not fortunate enough to be re-elected in 2015 but remained active serving the Board on a limited basis. Early in 2016, a recently elected director resigned and I was appointed to the Board to fill a vacancy for the remainder of the year. Recognizing that our current MSW handling and disposal process was behind the times environmentally, was antiquated, would prove to be very expensive post-2018, the Board initiated a process in 2012 to identify a post-2018 alternative to it. An alternative was identified and is well on its way to becoming a reality in Hampden. The process between alternative identification and today was very long and challenging one and is the result of a lot of hard work by the Board members. I greatly appreciate the Board and their efforts and hope to continue working with them to see the project through to its implementation and to continue "Ensuring affordable, long term, environmentally sound disposal of MSW". My brief history follows:

Public Works Director for the Town of Mount Desert since 2001; equipment and staff management responsibilities include curbside MSW collection with town-owned packer trucks and town staff: recycling center: annual one-week bulky waste collection.

Chairman of the Acadia Disposal District, an independent quasi-municipal, tax-exempt solid waste corporation comprised of five towns; provides services related to the efficient and lawful management, disposal, and recycling of MSW on behalf of its member towns including an annual hazardous and universal waste collection event and contract negotiations with an area transfer station in Southwest Harbor and agreement negotiations with the City of Ellsworth for recycling.

BS degrees in Biology and Chemistry, Mount Allison University, 1979 and Civil Engineering, UMaine, 1986.

Consulting Engineer for 15 years with 12 of those years with CES, Inc., experience in solid waste management including landfill closures and transfer station and recycling center siting, design and construction.

Resident of the Town of Mount Desert; enjoy reading, walking and hunting and fishing as a reason to get to the woods.

Member of the Episcopal Church's Buildings and Grounds Committee, Somesville Library Association, Town Revitalization Committee and Mount Desert Volunteer Fire Department.
