Town Manager's Report June 8, 2017

1. Next Regular Council Meetings to be held in Council Chambers at 4:30 p.m.
   A. June 22, 2017
   B. July 13, 2017

2. Maine Ambulance Association—Mainecare currently pays ambulance services 65% of the Medicare rate. LD 998 would require Mainecare to pay at least 70% of Medicare allowable charges. The rate increase could be phased in over the next few years. As it stands now, ambulance services are required to respond to all requests for emergency medical care whether they get paid or not.

3. First Budget Public Hearing—I wanted to have it at this meeting but Frank Boynton will be there to go over the school budget with the Council. We can talk at the Council meeting and decide how we want to set the schedule for the two public hearings and budget adoption.

4. State Budget—The major sticking point in the biennial budget negotiations continues to be the K-12 Education Funding issue. The Republicans are still opposed to recognizing the citizen initiative passed by Maine voters last November that imposed a surtax of 3% on Maine incomes over $200,000 that is estimated to generate about $300 million over the biennium. The $100 million offered by the Republicans was deemed grossly inadequate by the Democrats to address the education shortfall. I have attached a copy of the legislative update from Richard Trahey of the Maine Service Center Coalition (MSCC) with more updates on various bills.
5. **Key Municipal Officials**-I have attached a copy of the proposed slate of candidates for Maine Municipal Association (MMA) Vice President and Executive Committee Members. Each municipality has a right to file a petition to nominate a candidate that was not selected by the MMA Nominating Committee. The petition would have to be signed by the municipal officers of at least 5 member municipalities and submitted by 4:30 p.m. on Monday, July 10, 2017.

6. **KARE Grants**-I have spoken with Angela Cote and Kathy Lee and we are hoping to meet on Friday, June 9th, to go over the applications and make our recommendations. At this time we would also like to set a date for the KARE Grant Committee to meet and award the grants.

7. **Tax Acquired Properties**-We have received a number of inquiries about properties for sale and we may be putting out another list as early as next week.

8. **Bowling Alley**-The cleanup is scheduled to begin on Monday, June 12th. The drop dead date for completion is July 1st. Stay tuned.

TO: Key Municipal Officials of MMA Member Cities, Towns and Plantations
FROM: MMA Nominating Committee
(Stephan Bunker, Jay Feyler, Susan Lessard, David Nadeau and Cary Weston)
RE: Proposed Slate for MMA Vice President and Executive Committee Members
DATE: May 24, 2017

The MMA Nominating Committee is pleased to put forth the Proposed Slate for MMA Vice President and Executive Committee Members to serve on the MMA Executive Committee. The MMA Executive Committee is the governing body of the Maine Municipal Association and is made up of the three officers and nine members. The officers are elected to serve one-year terms and the members are elected to serve staggered three-year terms. The Proposed Slate for MMA Vice President and Executive Committee Members have been posted on the MMA website as a Recent Announcement dated May 25, 2017. The following is a direct link to the area of MMA’s website where you can access any information relating to the MMA Nomination, Petition & Election Process.

https://memun.org/About-Us/Governance/MMA-Nomination-Process

The MMA nominating process is taken seriously and involves careful consideration of many factors to assure that there is good representation on the MMA Executive Committee based on geographical location, population size, elected vs. appointed officials, etc. The Nominating Committee interviewed all candidates for the Vice President and Executive Committee positions.

NOMINEE FOR MMA VICE PRESIDENT
Pursuant to the MMA Bylaws, individuals who have served as a member of the Executive Committee for at least one year within the past five years are eligible to serve as the MMA Vice President. Accordingly, the MMA Nominating Committee has proposed the following candidate to serve as the MMA Vice President for a one-year term (January 1, 2018 – December 31, 2018):

Mary Sabina, Town Manager, Town of Vassalboro

**NOMINEES FOR MMA EXECUTIVE COMMITTEE**

Also pursuant to the MMA Bylaws, candidates for the Executive Committee must be from a Member Municipality and serve as a municipal officer (a selectperson or councilor of a town; a mayor, alderman or councilor of a city); a city or town manager; or the chief appointed administrative official of a member municipality.

Accordingly, the Nominating Committee has proposed the following candidate, who was appointed by the MMA Executive Committee to fill a vacant term in June 2015, be elected by the membership to serve a full three-year term (January 1, 2018 – December 31, 2020):

Barb Peterson, City Councillor, City of Ellsworth

The Nominating Committee has also proposed the following candidates to serve as new MMA Executive Committee members for a three-year term (January 1, 2018 – December 31, 2020):

James Barrett, City Manager, City of Biddeford
Jill Duson, At-Large Councillor, City of Portland

Municipal officials who will continue to serve their respective terms on the MMA Executive Committee include:

**President:**
Linda Cohen, City Councillor, City of South Portland

**Immediate Past President:**
Laurie Smith, Town Manager, Town of Kennebunkport

**Members:**

Elaine Aloe, Chair Selectboard, Town of Solon
Rick Bates, Town Manager, Town of Rockport
William Bridgeo, City Manager, City of Augusta

**Terms ending December 31, 2018**
Christine Landes, Town Manager, Town of Bethel
James Gardner, Jr., Town Manager, Town of Easton

**Terms ending December 31, 2019**

There will be a Vacant Seat effective 12/31/2017.

A Petition Form is available on the MMA website for use by any municipality that wishes to nominate an additional candidate. A candidate for the Executive Committee must be a municipal officer (a selectperson or councilor of a town; a mayor, alderman or councilor of a city); a city or town manager; or the chief appointed administrative official of a member municipality. A candidate for vice president must have served on the MMA Executive Committee for at least one year within the past five years.
ELECTION PROCESS

Once the petition process is complete in early July, the official VOTING BALLOT will be mailed to each member municipality for municipal officials to cast their vote. The Voting Ballot will include the Proposed Slate as recommended by the MMA Nominating Committee and any successful petition candidate. The Voting Ballots will be counted under the direction of the MMA President Laurie Smith (Town Manager, Town of Kennebunkport) on Friday, August 18, 2017.

Legislative Update, June 2, 2017

MSCC Members;

This past week saw an end to almost all the public hearings and work sessions on specific bills. The Legislature is
now set to begin two and three sessions per day with the goal of finishing on or before the statutory adjournment
date of June 21". (Not looking good for that goal)

The major sticking point in the biennial budget negotiations continues to be the K-12 Education Funding issue.
The Republicans continue to oppose recognizing the citizen initiative passed by Maine’s voters last November that
imposed 3% surtax on Mainec incomes over $200,000 that is estimated to generate about $300 million over the
biennium. The Democrats have counted on that additional revenue to fund local aid to education. This week, the
Republicans offered a proposal to increase local aid by $100 million. The Democrats countered that not only is
the $100 million grossly inadequate to address the education shortfall they also appeared, for some strange
reason, to be hung up on where the $100 million (in budget cuts) might come from.
(This week’s MMA Bulletin contains a detailed article on the Appropriations Committee deliberations over the
education funding piece including the latest attempt to redefine 55% of state’s share of school expenditures.)

LD 1565, An Act to Ensure the Effectiveness of Tax Increment Financing. After all of the discussion and debate
in the Taxation Committee their final decision was to carry the bill over to the next session.

LD 146, Act To Protect the Confidentiality of Local Government Employees' Private Information. This bill was
voted out of the Judiciary Committee with a unanimous vote to pass as amended. The Governor vetoed the bill
and the House overrode the Governor’s veto more than a week ago. The bill is awaiting a veto override vote in
the Senate.

LD 1617, An Act To Initiate the Process of Terminating the Maine Turnpike Authority. The Transportation
Committee wasted very little time concluding that this bill from the Governor qualified as a likely candidate for
“bad idea of the week” and voted an unanimous ought not to pass.

LD 1440, the Highway Fund Budget remains tabled in the Transportation Committee and is now one of the very
few bills left in Committee without a final vote.

LD 1624, the Resolution proposing a Constitutional Amendment to implement ranked choice voting and LD
1625 the bill to repeal the ranked choice voting law both had their Public Hearings
Friday. Work sessions on the bills are not yet scheduled.

Richard Trahey
MSCC Legislative Staff
LD 998 requires the Mainecare rate for ambulance services to be at least 70% of Medicare allowable charges. The rate increase could be phased in over the next few years, as the State budget allows.

Mainecare currently pays ambulance services 65% of the Medicare rate, which is only half or less than the usual charges for their services. So ambulance services are experiencing significant unrecoverable losses due to Mainecare.

Ambulance services are **required by law to respond to all requests for emergency medical care**, regardless of whether they will get paid, so they cannot avoid MaineCare losses.

Cost shifting is not an option for EMS providers, because municipalities and third party payers are already paying extra to make up the losses from MaineCare and uninsured patients who do not pay.

Ambulance Services must **reduce services** due to lack of revenue and increasing costs. Service in rural areas is decreasing, and response times are getting longer.

EMS providers are having great difficulty finding staff, because wages are low ($10-$17 per hour).

NOTICE – SPECIAL ATTENTION

§653. Hearings; bureau review; appeal

1. Hearings. The municipal officers or, in the case of unincorporated places, the county commissioners of the county in which the unincorporated place is located, may hold a public hearing for the consideration of applications for new on-premises licenses and applications for transfer of location of existing on-premises licenses. The municipal officers or county commissioners may hold a public hearing for the consideration of requests for renewal of licenses, except that when an applicant has held a license for the prior 5 years and a complaint has not been filed against the applicant within that time, the applicant may request a waiver of the hearing.

A. The bureau shall prepare and supply application forms. [1993, c. 730, §27 (AMD).]

B. The municipal officers or the county commissioners, as the case may be, shall provide public notice of any hearing held under this section by causing a notice, at the applicant's prepaid expense, stating the name and place of hearing, to appear on at least 3 consecutive days before the date of hearing in a daily newspaper having general circulation in the municipality where the premises are located or one week before the date of the hearing in a weekly newspaper having general circulation in the municipality where the premises are located. [1995, c. 140, §4 (AMD).]

C. If the municipal officers or the county commissioners, as the case may be, fail to take final action on an application for a new on-premises license or transfer of the location of an existing on-premises license within 60 days of the filing of an application, the application is deemed approved and ready for action by the bureau. For purposes of this paragraph, the date of filing of the application is the date the application is received by the municipal officers or county commissioners. This paragraph applies to all applications pending before municipal officers or county commissioners as of the effective date of this paragraph as well as all applications filed on or after the effective date of this paragraph. This paragraph applies to an existing on-premises license that has been extended pending renewal. The municipal officers or the county commissioners shall take final action on an on-premises license that has been extended pending renewal within 120 days of the filing of the application. [2003, c. 213, §1 (AMD).]

D. If an application is approved by the municipal officers or the county commissioners but the bureau finds, after inspection of the premises and the records of the applicant, that the applicant does not qualify for the class of license applied for, the bureau shall notify the applicant of that fact in writing. ATTEST: ______________________
Hello John —

Per our conversation this afternoon, I realized that the above noted project never received formal town of Millinocket approval and I am respectfully requesting that that approval process be placed upon this Thursday’s agenda and hopefully as a result, formally approved.

Matt Delaney and the Millinocket Memorial Library / Friends of MML, have graciously stepped up in a rather short period of time and are willing to handle the application money (AR & AP), as well as, facilitate the insurance requirements. Therefore, we would like to go ahead for this year’s Festival set for Saturday August 26th and we are in need of the formal approval from the town of Millinocket.

The Festival will take place on Penobscot Ave. from Pine St. to most likely, beyond Poplar St. but, it may or may not make it as far as Birch St. This said because the 10’ x 10’ tent spaces occupying approximately 12’ x 11’ of space along both sides of Penobscot Ave. will be assigned starting on Pine St. as applications are accepted and approved. We cannot however, identify at this time the number of applicants that we will receive and approve. We will limit the number of exhibitors to 60 as advertised and if we reach this threshold it seems that we will be occupying Penobscot Ave. from Pine St. to beyond Birch St.

Penobscot Ave. would be shut down from Pine St. going South from 0700 hours on 8-26-17 for general traffic. Exhibitors will have access from 0700 to 0930 in order to unload and will again have access to re-load after 5:00 PM on the 26th. The affected area of Penobscot Ave. should be re-open to the general public at approximately 6:30 PM. The owner’s of both the Scootic Inn and the Blue Ox are supportive of the festival and the temporary shutdown of Penobscot Ave.

Ralph from the Road Department has graciously offered to provide barricades on Friday afternoon in order for them to be set by KAAF volunteers on Saturday morning. Ralph did not seemed concerned about the barricades remaining in the open from Friday afternoon until Monday morning when his staff would be able to retrieve them without incurring overtime. Ralph has also offered to street clean this section of Penobscot Ave. before the festival, as well, as provide assistance to hanging the banner(s) if required. It is currently anticipated that all of the road department’s work would occur during normal business hours.

Steve Kenyon indicated that he did not anticipate any added Police staff to be required for the Festival.

Jodie indicated that the Recreation Department had trash barrels that could be utilized for the Festival while KAAF staff would be anticipating that these could be delivered on Friday as well and picked up on Monday.

If the town of Millinocket would prefer if barricades and trash barrels were picked up before the following Monday, KAAF would like to defer to Millinocket for this potential activity.

I think that’s the essential overview for the town to consider and hopefully approve. I may not be able to make this Thursday's meeting and so, if there is any additional information required please let me know.

Thank you again,
ORDER #125-2017
