d) Motion to adjourn at 5:50p.m. – Madore Second – Stratton Vote 6-0
Manager’s Report;

1. I am in support of the Procurement Policy that is being proposed by the Sustainability Committee. We should also as a Town send a letter in opposition to the changes of use for the adjacent properties to Baxter State Park as proposed. Offering alternate rule changes would be helpful.

2. The two tax acquired properties should be put back up for bids.

3. Hope the Rank Choice voting does not cause too much of a change for voters.

4. Mixed feelings about LD 1629, good for the poor and elderly but at quite a bit of additional clerical work for the Town. Still not in support of it’s passage in it’s current form. Universal changes is preferred.

5. Pleased with the progress of the Century Bike Ride.

6. Looking to DOT’s final plan for bridge renovations or replacement.

7. Please we have a good amount of interest for the sewer replacement project on Minuteman Dr.

Thank You for your consideration of my thoughts.

Sincerely,

Louis Pelletier

Manager’s Report;

2. Good to hear the Heritage Park plan is progressing. Hopefully June will bring good news and completion of this project.

3. It would be good if the non profits contribute to the Town tax revenue. Our budget is a growing burden on our low income tax payers.

4. Congratulations on the progress at the Airport. We are making good progress on the 5 year improvement plan.

5. Please with the success of the smoke alarm program. Hope the community takes this as a reminder to check their alarms.

PASSED BY THE COUNCIL: __________________________

ATTEST: ______________________________
Town Manager’s Report May 24, 2018

1. Next Regular Council Meetings – to be held in Council Chambers at 4:30 p.m.
   A. June 14, 2018
   B. June 28, 2018

2. Fireworks Ordinance – The Council needs to decide if it is going to change the current ordinance or continue with the present one.

3. Language in Deed – I have attached the recommendations that the Town Attorney drafted for the Council to review for the sale of a tax acquired property.

4. Opportunity Zones – On Monday, May 21, Governor LePage announced that he has chosen to deliver federal tax benefits to investors in parts of Maine with existing or defunct manufacturing operations. This will allow investors who put money into projects in those “opportunity zones” to avoid taxes on the capital returned by their investments. The Governor designated seven tracts in Penobscot County, three of which are former paper mill sites in Millinocket, East Millinocket, and Lincoln.

5. For/Maine Meeting in Orono – I attended a meeting with this group on Monday in Orono. This committee is a spin-off of the Economic Development Assessment Team (EDAT). In the past, it was known as the Maine Forest Economy Growth Initiative and is now known as FOR/MAINE. The purpose of this organization is to ensure that Maine adapts to market changes quickly and strategically in order to maintain its leading role in the global forest economy. Chris Steele, C00 & President of Investment Consulting Associates, gave a presentation on industrial sites and how to be certain they are the right fit to take on the clients they are pursuing. I will be

Home to Mount Katahdin, Baxter State Park, and Your Successful Future
getting a copy of the presentation and as soon as I do, I will forward it to the Council.

6. School Budget – The Superintendent is ready to present the school budget to the Council, and we are working on a date to make that happen.
Within one year of purchase the building/property must be made “presentable”.

Presentable shall mean; complete weathertight exterior envelope of the building including siding, windows, roof etc. on both the primary structure as well as any accessory structure(s). Any necessary repairs, including siding, windows, roof, trim, paint etc. shall be completed in a fashion that is consistent with the neighborhood in which the property is located.
Maine Revised Statutes

Title 33: PROPERTY
Chapter 5: RULE AGAINST PERPETUITIES

§103. Contingent interests

A fee simple determinable in land or a fee simple in land subject to a right of entry for condition broken shall become a fee simple absolute if the specified contingency does not occur within 30 years from the date when such fee simple determinable or such fee simple subject to a right of entry becomes possessory. If such contingency occurs within said 30 years the succeeding interest, which may be an interest in a person other than the person creating the interest or his heirs, shall become possessory or the right of entry exercisable notwithstanding the rule against perpetuities. But if a fee simple determinable in land or a fee simple in land subject to a right of entry for condition broken is so limited that the specified contingency must occur, if at all, within the period of the rule against perpetuities, said interests shall take effect as limited. This section shall not apply where both such fee simple determinable and such succeeding interest, or both such fee simple and such right of entry are for public, charitable or religious purposes; nor shall it apply to a deed, gift or grant to the State or any political subdivision thereof.

The Revisor's Office cannot provide legal advice or interpretation of Maine law to the public.

This deed is made upon the following express conditions, for breach of any one of which the
Grantor may enter and revest in itself title to the premises granted as if this deed had never been
given, said conditions are:

FIRST: That Grantee shall remove the existing building from the premises conveyed
herein, fill in the foundation, and landscape or otherwise stabilize the area to a
condition compatible with a residential neighborhood within one year of the date of
this deed. Demolition, removal of the building, and landscaping/stabilization shall
be in accordance with all municipal, state and federal statutes, rules and regulations,
including obtaining a demolition permit, which apply to demolition and removal of
buildings and disposal of demolition debris; and

SECOND: That no commercial use may be made of the premises nor may any
dwelling or residential units of any type be constructed on, moved upon, or
otherwise placed on the property herein conveyed.

THIRD: That Grantee, her successors, and assigns shall use the premises solely for
residential uses appurtenant to the Grantee’s adjacent residential property. The
“adjacent property” herein referred to is described in a Special Warranty Deed from
Keybank National Association to Grantee, recorded on April 27, 2001 in the
Penobscot County Registry of Deeds in Book 7674, Page 16. The premises may
only be conveyed in the future as part of Grantee’s conveyance of his adjacent
property or to another physically adjacent residential property and subject to the
same conditions as this deed except that the future use of the premises shall be
appurtenant to the use of the subsequent grantee’s adjacent residential property.

FOURTH: That any improvements constructed, erected, or maintained on the
premises herein conveyed must be as accessories to the adjacent residential property
of Grantee and must be in compliance with the Grantor’s ordinances, rules and
regulations in effect from time to time including its Land Use Ordinance. Any
necessary permits must be issued prior to such use and construction. “Accessories to
the adjacent residential property” means an improvement used for purposes which
are customarily incidental to those of the main residential building on Grantee’s
adjacent residential property. Grantor acknowledges that Grantee intends to
construct a noncommercial greenhouse on the premises conveyed by this deed and
Grantor agrees that such use is a purpose which is customarily incidental to use of
the residential building on Grantee’s adjacent lot.
LePage picks mill towns, former military bases and urban pockets for tax benefits

By Darren Fishell, BDN Staff • May 21, 2018 10:43 am

Gov. Paul LePage has chosen to deliver federal tax benefits to investors in parts of Maine with existing or defunct manufacturing operations, closed military bases and selected urban pockets, in a move favoring areas in Penobscot County.
LePage picks mill towns, former military bases and urban pockets for tax benefits — Business — Bangor Daily News — BDN Maine

Under the federal Opportunity Zones program, LePage was able to pick up to 32 census tracts to qualify for the tax benefits.

A designation will allow investors who put money into projects in those “opportunity zones” to avoid taxes on the capital gains returned by their investments. It’s an approach tried by past Democratic and Republican administrations, in efforts to use federal tax policy to lure investment or jobs to an area.

LePage chose from a total of 128 possible tracts, which are considered low-income. He could pick two from certain areas adjacent to a low-income tract. The U.S. Treasury Department on Friday released the list of Maine selections.

Not designated
Opportunity Zone

LePage picked tracts that include part or all of Bangor, Brewer, Enfield, Lincoln, Millinocket and East Millinocket, for a total of seven tracts in Penobscot County. Aroostook and Cumberland were next highest, with four selected tracts.

Many of the governor’s selections include major manufacturers or anchor businesses for which the tax benefits could potentially lure new investors.

includes paper mills in Rumford and Baileyville, military shipbuilder Bath Iron Works and Belfast boat builder Front Street Shipyard. The designation also includes the former mill town of Madison and former military bases in Limestone and Brunswick.

The selected tracts include all or part of those communities, as tract boundaries don’t necessarily align with municipal boundaries, particularly in urban areas. They comprise districts of between 2,500 and 8,000 people.

The Maine Department of Economic and Community Development said in a statement Monday that “LePage selected tracts based primarily on identified investment opportunities where such investments would likely be met with success.”

All but three counties will get some piece of the pie. LePage did not pick any census tracts in Franklin, Lincoln or Knox counties.

See the full list of selected tracts and municipalities or unorganized townships touched by those tracts below.
Designated tracts by unemployment rate

Tracts may include only a portion of the municipalities listed, as the boundaries of tracts and municipalities do not necessarily align.

Strong forest. Strong economy. Strong communities.

Maine is 89% covered by one of the most advanced, productive, and sustainable "resources" imaginable - the forest. More than half of Maine's forests are certified sustainable, meaning they are managed for the health of the forest, wildlife, water quality, and economic contributions to the surrounding communities. They reduce carbon emissions as they grow, provide habitat for a huge variety of wildlife, invite recreation, and foster quality of life for residents and tourists year round.

Maine forests are also a long-term, critical anchor for the state's overall economy. For generations they have provided economic opportunity for Maine families and communities. Forest outputs can be made into a staggering array of products, from packaging and advanced building materials, to eco-friendly chemicals and biodegradable plastics (replacing harmful petro-chemicals), textiles, and cutting edge medical and technical products made from nanocellulose.

Technology, globalization, and evolving social trends are bringing change and new opportunities to Maine's traditional forest economy. The industry is adapting and diversifying in response, developing new economic revenue streams to produce sustainable, bio-based products for both domestic and global markets - all while conserving natural lands for recreation, tourism, and wildlife. Maine's forest communities are creating the conditions to attract investment and high-quality jobs to rural areas, including efforts to redevelop mill sites and improve broadband access in rural areas.

NOTICE – SPECIAL ATTENTION

§653. Hearings; bureau review; appeal

1. Hearings. The municipal officers or, in the case of unincorporated places, the county commissioners of the county in which the unincorporated place is located, may hold a public hearing for the consideration of applications for new on-premises licenses and applications for transfer of location of existing on-premises licenses. The municipal officers or county commissioners may hold a public hearing for the consideration of requests for renewal of licenses, except that when an applicant has held a license for the prior 5 years and a complaint has not been filed against the applicant within that time, the applicant may request a waiver of the hearing.

A. The bureau shall prepare and supply application forms. [1993, c. 730, §27 (AMD).]

B. The municipal officers or the county commissioners, as the case may be, shall provide public notice of any hearing held under this section by causing a notice, at the applicant’s prepaid expense, stating the name and place of hearing, to appear on at least 3 consecutive days before the date of hearing in a daily newspaper having general circulation in the municipality where the premises are located or one week before the date of the hearing in a weekly newspaper having general circulation in the municipality where the premises are located. [1995, c. 140, §4 (AMD).]

C. If the municipal officers or the county commissioners, as the case may be, fail to take final action on an application for a new on-premises license or transfer of the location of an existing on-premises license within 60 days of the filing of an application, the application is deemed approved and ready for action by the bureau. For purposes of this paragraph, the date of filing of the application is the date the application is received by the municipal officers or county commissioners. This paragraph applies to all applications pending before municipal officers or county commissioners as of the effective date of this paragraph as well as all applications filed on or after the effective date of this paragraph. This paragraph applies to an existing on-premises license that has been extended pending renewal. The municipal officers or the county commissioners shall take final action on an on-premises license that has been extended pending renewal within 120 days of the filing of the application. [2003, c. 213, §1 (AMD).]
D. If an application is approved by the municipal officers or the county commissioners but the bureau finds, after inspection of the premises and the records of the applicant, that the applicant does not qualify for the class of license applied for, the bureau shall notify the applicant of that fact in writing. The bureau shall give the applicant 30 days to file an amended application for the appropriate class of license, accompanied by any additional license fee, with the municipal officers or county commissioners, as the case may be. If the applicant fails to file an amended application within 30 days, the original application must be denied by the bureau. The bureau shall notify the applicant in writing of its decision to deny the application including the reasons for the denial and the rights of appeal of the applicant. [1995, c. 140, §5 (NEW).][ 2003, c. 213, §2 (AMD).]

2. Findings. In granting or denying an application, the municipal officers or the county commissioners shall indicate the reasons for their decision and provide a copy to the applicant. A license may be denied on one or more of the following grounds:

A. Conviction of the applicant of any Class A, Class B or Class C crime; [1987, c. 45, Pt. A, §4 (NEW).] B. Noncompliance of the licensed premises or its use with any local zoning ordinance or other land use ordinance not directly related to liquor control; [1987, c. 45, Pt. A, §4 (NEW).]

C. Conditions of record such as waste disposal violations, health or safety violations or repeated parking or traffic violations on or in the vicinity of the licensed premises and caused by persons patronizing or employed by the licensed premises or other such conditions caused by persons patronizing or employed by the licensed premises that unreasonably disturb, interfere with or affect the ability of persons or businesses residing or located in the vicinity of the licensed premises to use their property in a reasonable manner; [1993, c. 730, §27 (AMD).]

D. Repeated incidents of record of breaches of the peace, disorderly conduct, vandalism or other violations of law on or in the vicinity of the licensed premises and caused by persons patronizing or employed by the licensed premises; [1989, c. 592, §3 (AMD).]

E. A violation of any provision of this Title; [2009, c. 81, §1 (AMD).]

F. A determination by the municipal officers or county commissioners that the purpose of the application is to circumvent the provisions of section 601; and [2009, c. 81, §2 (AMD).]

G. After September 1, 2010, server training, in a program certified by the bureau and required by local ordinance, has not been completed by individuals who serve alcoholic beverages. [2009, c. 81, §3 (NEW).]

3. Appeal to bureau. Any applicant aggrieved by the decision of the municipal officers or county commissioners under this section may appeal to the bureau within 15 days of the receipt of the written decision of the municipal officers or county commissioners. The bureau shall hold a public hearing in the city, town or unincorporated place where the premises are situated. In acting on such an appeal, the bureau may consider all licensure requirements and findings referred to in subsection 2.

A. [1993, c. 730, §27 (RP).]

B. If the decision appealed from is an application denial, the bureau may issue the license only if it finds by clear and convincing evidence that the decision was without justifiable cause. [1993, c. 730, §27 (AMD).]

[1995, c. 140, §6 (AMEND).]

4. No license to person who moved to obtain a license. [1987, c. 342, §32 (RP).]

5. Appeal to District Court. Any person or governmental entity aggrieved by a bureau decision under this section may appeal the decision to the District Court within 30 days of receipt of the written decision of the bureau. An applicant who files an appeal or who has an appeal pending shall pay the annual license fee the applicant would otherwise pay. Upon resolution of the appeal, if an applicant's license renewal is denied, the bureau shall refund the applicant the prorated amount of the unused license fee.

[1995, c. 140, §7 (AMD); 1999, c. 547, Pt. B, §78 (AMD); 1999, c. 547, Pt. B, §80 (AFF).]
