Plans were finalized as to the Cruise In to be held on Friday Aug. 9th at 5:00 on Penobscot Ave. Posters have been distributed, magnets are ready. Manager Davis will make the certificates for the 3 winners.

The committee agreed to hire Jesse Dumas to DJ the event at a cost of \$100.00 for 3 hours.

Advanced Auto is donating a gift basket and a contribution of \$200.00 was donated by Roots to Remedies

It was recommended that we track withdrawals for the year for future data if these events become annuals.

Discussed the proposed budget for The Music on the Porch event scheduled for Aug 31 from 6-9 pm

In other business the committee discussed an idea from Chief Worster about a Police themed 5K road race he would like to hold on Sept 14th in cooperation with the Trails End Festival and the Truck Pull. The time if applicable would be 8 am and would finish about 10am. Cody will contact the festival committee and if they agree, he will contact Trisha so she can get a registration form out "asap" as time is tight to pull this together in time.

The committee will meet again on Wed Aug 14th at 2pm in the Manager's Office.

Meeting was adjourned at 2:38 pm

Submitted Michael Madore.
