Some of the comments where people would like to see this done more often over the summer months. Movie very well received, Chief Worster popcorn at last minute was great idea. Did have negative comments on showing of movie but will work on better venue for next year. Need to provide more coverage for event next year and we were aware of event, this event was put together rapidly. Make sure we get invoice from Jessie Dumais, so he gets paid for DJ. Overall event was very well received, and many residents appreciated it.
3. Music on the Porch: Need to check with Ben on where he is with things, committee does not feel need to have porta-potties, is sound set or should we check with Jessie for availability, Tom will touch base with Jessie. Where is Ben on posters/flyers.
4. Trails End 5K: Trish is not sure we are ready to do this and that we might want to wait do to getting info out. Discussion was that we need to start somewhere with this even if small, all need to push this hard over next few weeks. Design Lab will get flyer put together so we can get them out, Kittie is willing to make sure they get distributed. Trish has redone route due to Granite St bridge being under repair. Chief Worster would like to see us go forward with this and committee agreed.
5. Other items: Design Lab can have new trade booth done for Trails End Festival if someone is able to man it, Gilda is available and will work on getting others to give some time as well. Committee agreed to move forward with having it at Trails End. Jessica talked about "I LOVE MILLINOCKET" stickers and committee agreed to have it put something

together for next meeting so can have them for the Festival. Mike Madore has information from Anah Temple, and we can book Anah Oriental Band for \$650.00 and Anah NASCARS for \$600.00 and committee is fine with booking them for the 4th of July parade. Talk on other aspects of 4th of July for 2020 and about the grant the State of Maine has for events around the State. John and Chief Worster will investigate it more. Must make sure we also continue with the Toll Booth for fireworks funding. Trish would like to investigate having an indoor cornhole tournament in March and have it run for 2-3 weeks on Wednesdays, will continue to move forward on this idea. Tom talked about the Community Christmas Party and the date change this year, floated the idea of having a Parade of Lights on Friday night Dec. 6th that could be followed by the Kringle Run. Will continue to work on this idea as well.
