Wreath Lightning: Wreath Lightning will take place on December 4th at Opal Myrick, December 5th at Granite Street School, and December 6th at Medway Middle School. We will be singing Christmas Carols, Lightning the Wreath, passing out Candy Canes and Hot Chocolate.

Parade of Lights: Parade of Lights will be on December 6th starting at 6pm.

Heaters in Maintenance Building: We will be replacing the heaters in the maintenance building. After we purchased the new Heaters we discovered that we had lost the a phase on the transformer. Emera came and fixed the problem. The current Heaters are 35 years old so we are still going to replace them with the new ones. We are also going to replace 11 Lights in the Maintenance Building with Led Lights. We also replaced the locks at the pool. Someone got a hold of the spare key and let them self in and we are missing a few items.

Committee Concerns: Tom wanted to know if we heard from Little Pro, and Warren wanted to know if we can put Pre K in After School Programs he didn't want Pre K to be left out.
