Business::

Summer Employment Applications: Summer Applications will be out in the paper next week. We are going to send out applications to the employees that worked last year in the mail, and we are going to bring applications to the schools.

Dances: The father and daughter dance will be held at Saint Martin's on March 6th, and the mother and son dance will be held at Medway Middle School on March 7th. The Dances are open to grades Pre-K-6th.

Winterfest is from February 14-22nd. The parade is on February 14th, at 6 pm and it starts from Stearns High School, goes down thru Main Street, and ends at the Timber Cruisers. After the parade the Timber Cruisers will have a bonfire, and a dance.

After School Programs: After School Programs will be starting at Opal Myrick starting January 28th-February 13th for grades K-4 with indoor soccer. After we get done with Opal, we will be at Granite Street School grades K-2 with Indoor basketball.

Skating Rink: At this time, it doesn't appear that the skating rink will be open this year. Due to a number of circumstances, including health issues of the maintenance staff. We currently do not have the work force to clear and flood the rink.

Grants for the Recreation Complex: Jody is applying for the Land and Water Grant for \$42,000. The town of Millinocket is going to match the \$42,000 with the total of \$84,000. The Co-Ed Softball Field will get new dugouts, 10 Ft. fencing for the baselines and infield work. The other softball field will get a new fence and infield work done. Timbers and surface will be put around the Play Ground. Hopefully by the end of January Jody will find out if she gets the grant.

Committee Concerns: They were no Committee Concerns.
