TOWN OF MILLINOCKET

John Davis, Town Manager

197 Penobscot Avenue, Millinocket, Maine 04462

Telephone 207-723-7000 FAX 207-723-7002

Web Site: www.millinocket.org

Town Manager's Report August 13, 2020

- 1. Next Meetings held in Council Chambers at 4:30 p.m.**
 - A. August 27, 2020**
 - B. September 10, 2020**
- 2. Clerk Award –** Diana did not qualify for Clerk of the Year because of the requirement of being a Clerk for 7 years. She did however qualify for Rookie of the Year and I sent in the necessary paperwork to enroll her for that award. Results expected by mid-August.
- 3. Emergency Egress Drills –** Attached are Emergency egress drills that the National Fire Protection Association (NFPA) have adopted for options to reopen schools. Local municipalities may choose to be more stringent.
- 4. Roger L. Huber –** Roger will represent the Board of Assessment Review in dealing with the Great Lakes Hydro tax abatement. He has been in touch with the appellant's attorney and Roger expects the matter to extend into September.
- 5. Planning Board Meeting – August 4, 2020.** Review of Change of Use (COU) application for the operation of an addiction treatment facility at 53 Penobscot Avenue. I was copied on an email from Tom Martin of Wabanaki Health & Wellness informing the Code Enforcement Officer they want the COU removed from the agenda as they believe the Planning Board had a unanimous vote to issue the COU at the last meeting. The Planning Board met on August 4 and resolved this matter. The 3 to 1 vote in favor of the treatment facility at the earlier meeting was valid.

TOWN OF MILLINOCKET

John Davis, Town Manager

197 Penobscot Avenue, Millinocket, Maine 04462

Telephone 207-723-7000 FAX 207-723-7002

Web Site: www.millinocket.org

-
- 6. Revision of Chapter 23 of the Planning Board –** Attached is a copy of the revision to subsection 23-5 that the Planning Board approved at the August 4, 2020 Planning Board Meeting.

 - 7. LD 2094 An Act To Implement the Recommendations of the Task Force on Changes to the Maine Indian Claims Settlement Implementing Act –** Deals with the issues of whether and how provisions of the Maine Implementing Act (MIA) should be amended. The Governor sees opportunities to do some positive things but is concerned about the sweeping nature of the bill, the impacts on non-Tribal citizens and communities, and the extent to which those impacts have due consideration and explained to the public. The bill would allow tribes to acquire land anywhere in the state which could then be designated as Tribal Trust land and removed from the state's jurisdiction. Section 12 of the bill exempts both current and later obtained Tribal lands from State and local taxation. Under the proposal in recommendation 10, Maine communities would have no influence on development projects on tribal lands regardless of their potential impact on those communities.

 - 8. Ambulance –** The 2015 Chevrolet ambulance (788) is out of service due to engine issues. It is at the Public Works garage waiting for repairs.

 - 9. Fire Service Mutual Aid Agreement –** Attached to this report is a draft copy of a Fire Service Mutual Aid Agreement for you review. The proposal is between the Town of Medway and the Town of Millinocket and the purpose is to supply firefighter services to each other.

 - 10. American Water Resources –** A reminder to homeowners that they may need to maintain the water and sewer lines running

TOWN OF MILLINOCKET

John Davis, Town Manager

Telephone 207-723-7000 FAX 207-723-7002

Web Site: www.millinocket.org

count on protection plans to save themselves from the financial stress of unexpected service line repairs.

10.Station Clock – The proposed location for the clock is in the Municipal Building lobby. Mr. Ogilvie will deliver and set it up as soon as he gets the go ahead.

11.Revision Energy – The Town received a Notice of Termination letter from Revision Energy to end the Solar Power Purchase Agreement for the planned 426 kilowatt solar array to be located at the Millinocket Wastewater Treatment Plant. They cited the inability to obtain a cost-effective interconnection permit from the local utility (Emera Maine/Versant). Andrew Kahrl wanted to thank the Council again for the gift basket he received from the Town of Millinocket when he was struggling with health issues.

Department Updates

Public Works

- Streets prepared for milling and paving.
- Cost same as last year - \$74/ton.
- B & B Paving doing the work.
- Getting winter sand stockpiled in storage barn. Salt supplied by New England Salt @ \$58.77/ton.

Transfer Station

- Next virtual MRC board meeting on August 19, 2020, at 10:00 a.m. Can sign up on the MRC website.
- Cleaned up the metal pile, brush pile, and wood ash inventory.
- Having trouble with the well water cycling. Rollins believes there is a leak. Will shut pump off and use it only when necessary until repaired. May have to pull the pump and check the system out.

TOWN OF MILLINOCKET

John Davis, Town Manager

197 Penobscot Avenue, Millinocket, Maine 04462

Telephone 207-723-7000 FAX 207-723-7002

Web Site: www.millinocket.org

Airport

- Will have a virtual kick-off meeting for the Master Plan. Hoyle Tanner will collaborate with members of the Town to form a PAC Committee to identify future airport needs.

Cemetery

- Busy with maintenance and burials.

Wastewater Treatment Plant

- Equipment functioning well.
- Held a bid opening on July 29th for the Elm/Bates Streets project. The bid from Trombley Construction was the low bid but withdrew their bid because of an error in preparation. The other bids were high, and we are recommending rebidding in January of 2021.
- Olver Associates assessed the Main Pump Station for large scale upgrades.
- Attached is a copy of the bids and the upgrades assessment.

Police Department

- 353 incidents for July. 523 for this same time last year.
- Chief still covering various shifts.
- Training consisted of a roll call training video from Truckers Against Trafficking on detection and apprehension of people that may be a victim of human trafficking.
- Want to resend the request for bids for the replacement cruiser. Due to COVID restrictions and reduced manufacturing of vehicles, the dealerships had a tough time quoting 2020 vehicles, especially the SUVs. The Dodge Durango was the only SUV priced.
- Participating in the State of Maine Department of Public Safety Coronavirus Emergency Supplemental Funding Program as a subgrant and submitted for \$4,800 for the staffing levels of the Police Department. The grant will allow the PD to accept reimbursement for \$600 per full-time and \$300 per part-time officer. Would like to put these funds in Account E0201-0435, to track PPE purchases.

TOWN OF MILLINOCKET

John Davis, Town Manager

197 Penobscot Avenue, Millinocket, Maine 04462

Telephone 207-723-7000 FAX 207-723-7002

Web Site: www.millinocket.org

-
- Want to thank Katahdin Value for donating a 10,000 btu air conditioner to the Police Department. The old unit stopped working and the replacement not installed yet.
 - The Chief and Sgt. Winslow received training to switch from one computer classification system (Uniform Crime Report), to the updated National Incident Based Reporting System. This should help streamline reporting to State Police and the FBI.
 - Sheriff Morton reduced the population of the jail from over 200 inmates to 120 due to COVID-19. At this time, the County has 50-60 inmates boarded out to other facilities and 130 out on a Maine Pre-Trial Contract. The PD will continue to release arrestees from the station on non-secured bails, which will help keep the jail population down, and saving on overtime by negating the need to transport an arrestee.

Fire & Ambulance

- One employee still on injury.
- Communicating with state agencies on COVID-19, and reporting to Town Manager.
- Received Apple IPAD laptops purchased from the DiBona donation account. Dispatch to keep one unit and the other assigned to the transfer ambulance (798).
- Attended various webinars.
- Worked with Medway on an updated mutual aid agreement for the FD.
- Twenty-five local BLS and 23 local ALS calls.
- No lost BLS or ALS calls.
- Fourteen lost medic calls.

Health Officer

- Participating in teleconferences concerning COVID.
- In contact with MRH.
- Frequent checks of pool and playgrounds.
- No known issues of Toxic Blue-Green Algae in the area. There was a concern that Jerry Pond may be infected.

TOWN OF MILLINOCKET

John Davis, Town Manager

197 Penobscot Avenue, Millinocket, Maine 04462

Telephone 207-723-7000 FAX 207-723-7002

Web Site: www.millinocket.org

-
- Attended Zoom meeting on CARES ACT grant program.
 - Continued collaborating with out-of-state residents on required conditions to come into the state.

Recreation Department

- Worked at pool and supplying lunches.
- No programs due to COVID-19.

Administration

Treasurer

- Mailing 250 30-notices.
- Loading budget into TRIO.
- Worked on jet fuel proposal.

Tax Collector

- Want to welcome Sharon Cyr to the position of Tax Collector. Sharon worked in the Clerk's office years ago and will be a good addition to the department. Roxanne Johnson hired to fill part-time position.

Tax Assessor

- Fielding questions about Homestead Exemption, liens, and title issues.
- Replied to emails and phone calls.
- Millinocket Shopping Plaza requested a valuation reduction. Told them to submit their request in writing and provide data for the review.
- Worked on appeal from Brookfield/Great Lakes Hydro.
- Corrected an ownership error.

Code Enforcement Officer

- Issued permits and property maintenance correction letters.
- Met with Planning Board and attended a Zoom meeting.
- Conducted inspections.
- Did a ride around town taking pictures of problem properties.

TOWN OF MILLINOCKET

John Davis, Town Manager

197 Penobscot Avenue, Millinocket, Maine 04462

Telephone 207-723-7000 FAX 207-723-7002

Web Site: www.millinocket.org

Town Clerk

- Busy at the window.
- Training new Tax Collector.
- Processing mail and getting up to date on motor vehicle reports.
- No issues with school budget election.
- Verifying nomination papers. Seven candidates took out papers for the three Council seats and three returned them. One candidate took out papers for School Board. There are three Council seats open and two School Board vacancies.

Human Resource/Welfare Director

- Conducted interviews for Tax Collector and part-time position.
- Prepared A/P and payroll warrants.
- Worked on personnel & legal issues.
- Addressed GA clients.

Town Manager

- Helped conduct interviews.
- Personnel & legal issues.
- Prepared agenda.
- Watched recording of Planning Board meeting and attended School Board meeting via Zoom.

Emergency Egress Drills
July 16, 2020

Code Compliance

NFPA (National Fire Protection Association) 101 Life Safety Code has been adopted within the State of Maine and currently we follow the 2018 version. The code has specific requirements for Emergency Egress Drills. Due to the current situation our office is issuing the following allowances until 1/1/21. Local municipalities may be more stringent than the following.

Option 1

If a school is open and occupied with students attending a regular class schedule with no adjustments made, Emergency Egress drills shall be performed as follows with an understanding that once outside all Executive orders issued by the Governor will be followed.

1. Not less than one emergency egress drill shall be conducted every month the facility is in session, unless both of the following criteria are met:
 - (a) In climates where the weather is severe, the monthly emergency egress drills shall be permitted to be deferred.
 - (b) The required number of emergency egress drills shall be conducted, and not less than four shall be conducted before the drills are deferred.
2. All occupants of the building shall participate in the drill.

Approved training programs designed for education and training and for the practice of emergency egress to familiarize occupants with the drill procedure, and to establish conduct of the emergency egress as a matter of routine, shall be permitted to receive credit on a one-for-one basis for not more than four of the emergency egress drills required, provided that a minimum of four emergency egress drills are completed prior to the conduct of the first such training and practice program

Option 2

If a school is open and occupied with students on a split schedule where only half the students are present at any one time, Emergency egress drills shall be performed as follows with an understanding that once outside all Executive orders issued by the governor will be followed.

1. Not less than one emergency egress drill shall be conducted for every 30 days each group of students have been in the facility.
 - (a) In climates where the weather is severe, the emergency egress drills shall be permitted to be deferred.
 - (b) The required number of emergency egress drills shall be conducted, and not less than four shall be conducted before the drills are deferred.
2. All occupants of the building shall participate in the drill.

Approved training programs designed for education and training and for the practice of emergency egress to familiarize occupants with the drill procedure, and to establish conduct of the emergency egress as a matter of routine, shall be permitted to receive credit on a one-for-one basis for not more than four of the emergency egress drills required, provided that a minimum of four emergency egress drills are completed prior to the conduct of the first such training and practice program

Disinfecting Wipes
July 16, 2020

Code Compliance

NFPA (National Fire Protection Association) 101 Life Safety Code has been adopted within the State of Maine and currently we follow the 2018 version. The code has specific requirements for the use of Disinfecting Wipes. Due to the current situation our office is issuing the following allowances until 1/1/21. Local municipalities may be more stringent than the following.

- Disinfecting Wipes shall not be allowed in corridors of educational buildings.
- Disinfecting Wipes containers with up to 450 wipes can be in classrooms.
- The cumulative amount of Disinfecting Wipes in any classroom cannot exceed 1 container (450 wipes).
- Disinfecting Wipes shall not be allowed above or near any source of ignition.
- Storage of Disinfecting Wipes that is not being used in quantities greater than 5 Containers (450 wipes each) shall be stored in a rated room or a flammable liquid storage cabinet.
- Disinfecting Wipes that have been used shall be discarded in a metal trash receptacle.
- Trash containing disposed Disinfecting Wipes shall be removed from the school on a daily basis, no trash shall be stored within the building.

July 16, 2020

Code Compliance

NFPA (National Fire Protection Association) 101 Life Safety Code has been adopted within the State of Maine and currently we follow the 2018 version. The code has specific requirements for the use of alcohol-based hand rub. Due to the current situation our office is issuing the following allowances until 1/1/21. Local municipalities may be more stringent than the following.

- Alcohol-Based hand rub shall not be allowed in corridors of educational buildings.
- Alcohol-Based hand rub up to 1 gallon can be in classrooms within buildings that are protected by an automatic sprinkler system. Containers of alcohol-based hand rub shall be labeled and be a non-misting pump style dispenser.
- Alcohol-based hand rub up to .32 gal./ 1.2 L can be in classrooms within buildings that are not protected by an automatic sprinkler system. Containers of alcohol-based hand rub shall be labeled and be a non-misting pump style dispenser.
- The cumulative amount of alcohol-based hand rub in any classroom cannot exceed 1 gallon.
- Alcohol-based hand rub shall not be allowed above or near any source of ignition.
- Storage of alcohol-based hand rub that is not being used in quantities greater than 5 gallons shall be stored in a rated room or a flammable liquid storage cabinet.
- Alcohol-based hand rub dispensers located within rooms with combustible floors shall be arranged to prevent the hand rub from coming in contact with the floor.
- Alcohol-based hand rub dispensers shall be separated by a minimum of 48"

Alternative Sites
July 16, 2020

Code Compliance

NFPA (National Fire Protection Association) 101 Life Safety Code has been adopted within the State of Maine and currently we follow the 2018 version. The code has specific requirements for the use of a building as an educational occupancy. Due to the current situation our office is issuing the following allowances until 1/1/21. Local municipalities may be more stringent than the following. The following items are a few basic requirements for a building to be used as an alternative site for a limited time. If the preliminary assessment items below are met then please contact us for a courtesy walk through to determine if the building is safe for students.

- There is a fire separation between the educational use and any other use in the building.
- There are 2 remote means of egress from the building.
- Each room used as a classroom must have an egress window or a door to the outside, unless the building has a sprinkler system.
- The building shall have a fire alarm system.
- Corridor walls shall be able to resist the passage of smoke.
- Corridor doors shall be self-closing unless the building has a sprinkler system.

Subject: Abatement Appeal - Great Lakes Hydro America, LLC

Amy and Lorna,

My efforts at scheduling a Board of Assessment Review hearing on Great Lakes' Abatement Appeal continue. At one point, it appeared that August 18, 19, or 20 might work. In the meantime, I understand, Lorna issued a supplemental request for information as of April 1, 2019, pursuant to 36 M.R.S.A. Sec. 706-A. It is not my place nor my intention to oversee, coordinate; or otherwise interfere with the delivery of the requested information. I do have to schedule a hearing and I want to give the parties ample time to prepare for the hearing and to submit any evidence you wish the Board to consider as part of the appeal. In light of the Assessor's recent request, can each of you give me a better sense for your respective time frames? I would like to schedule the hearing as soon as practicable, with due regard for both of your schedules, but my preference is to pick a date far enough out so that it need not be rescheduled.

Amy, the Board would certainly be amenable to having Paul Brenton participate via Zoom or Skype. We can work on the details as the hearing date draws near, but we will find a way. Also, we are aware that the COVID pandemic may impact

Richard,

Please see the attached letter. We are requesting that we be removed for the Agenda for the meeting on August 4, 2020.

I would ask that you conference with the Town Manager and have the Planning Board Chairman issue the COU as that was the pleasure of the Planning Boards Vote.

Best regards,

Tom

Anthony Filauro, Chair
Millinocket Planning Board
c/o Dean Beaupain, Esq.
Bloomer Russel Beaupain
175 Exchange Street, Suite 200
Bangor, Maine 04401

RE: Change of Use Application; 53 Penobscot

Dear Chairman Filauro:

Wabanaki Health and Wellness ("WHW") is in receipt of your July 27, 2020 letter wherein you maintain that the Planning Board did not approve WHW's Change of Use ("COU") application for property located at 53 Penobscot Avenue in Millinocket, despite having received the affirmative vote of 3 of the 4 Planning Board members at a duly-called meeting thereof on July 21, 2020. There is no support in the Town's ordinance for your contention that a minimum of 4 votes is required for any Planning Board action. Indeed, the United States Supreme Court has held that, when a quorum is present, the majority vote of the members of the governing body of a municipal corporation is that all is required for said body to take any action or adopt any motion. *State of Rhode Island v. Palmer*, 253 U.S. 350 (1920).

WHW believes that the Planning Board approved its COU application and that the Town is acting illegally by refusing to issue the COU permit. Accordingly, WHW does not wish for its application to be "reconsidered" at the Planning Board's August 4, 2020 meeting, and it is requesting that the COU application be removed from the agenda for that meeting. To the extent that the Town continues to refuse to issue the approved COU permit, WHW will have no choice but to appeal the actions of both the Planning Board and of the Code Enforcement Officer to the Zoning Board of Appeals. In light of the blatant racism and discrimination displayed by Town officials at every meeting on WHW's COU application, or on the topic of treatment facilities generally, it is clear that WHW has been denied due process by the Town, and it also intends to pursue its remedies pursuant to 42 U.S.C. § 1983.

Throughout this entire process, WHW has made every effort to build a positive relationship with the Town. Even in spite of the Planning Board's recent actions, WHW continues to invest in the Town, donating resources to the existing recovery community in Millinocket and to the Town's library. Both from a legal and a reputational perspective, the Town would be wise to reconsider its approach to WHW, to the native communities of Maine and of the Millinocket region in particular, and to people who are attempting to recover from substance use disorders.

PLANNING BOARD

§23-1. Establishment.

§23-2. Membership; appointment; terms; vacancies.

§23-3. Chairman and Secretary; other offices; terms.

§23-4. Disqualification from voting.

§23-5. Meetings; quorum; minutes.

§23-6. Powers and duties.

[HISTORY: Adopted by the Town Council of the Town of Millinocket 7-21-1981 as Ch. 12 of the Millinocket Code. Amendments noted where applicable.]

GENERAL REFERENCES

Planning Board — See Charter, §C701

§23-1. Establishment.

Pursuant to the Maine Constitution Art. 8, Pt. 2, and 30 M.R.S.A. 1917, the Town of Millinocket hereby establishes the Millinocket Planning Board.

§23-2. Membership; appointment; terms; vacancies.

A. Appointment by municipal officers. Appointments to the Board shall be made by the municipal officers.

B. Number of members. Board shall consist of seven (7) members and two (2) alternates, who shall be allowed to participate fully in Board discussions and, when appointed by the Chair or Acting Chair to replace an absent or excused regular member, allowed to vote as

a regular member. [Amended 1-12-1995 by Ord. No. 9-94]

- C. Term. The term of each member shall be five (5) years.
- D. Vacancy. When there is a permanent vacancy, the municipal officers shall, within sixty (60) days of its occurrence, appoint a person to serve for the unexpired term.
- E. Municipal officers as members. No municipal officer may serve as a member.

§23-3. Chairman and Secretary; other offices; terms.

The Board shall elect a Chairman and a Secretary from among its members and create and fill such other offices as it may determine. The term of all offices shall be one (1) year, with eligibility for reelection.

§23-4. Disqualification from voting.

Any question of whether a member shall be disqualified from voting on a particular matter shall be decided by a majority vote of the members except the members who are being challenged.

§23-5. Meetings; quorum; minutes.

- A. Regular meetings. The Chairman shall call at least one (1) regular meeting of the Board each month, or the Board shall meet as required.
- B. Quorum. No meeting of the Board shall be held without a quorum consisting of four (4) members. When a quorum is present, any vote taken at such a meeting shall be a valid vote if passed with a simple majority of those present and voting.
- C. Rules; minutes. The Board shall adopt rules for transactions of business, and the Secretary shall keep a record of its resolutions, transactions, correspondence,

John,

Attached is the revision of chapter 23 Planning Board that was voted on at the 8-4-2020 planning board meeting. I have inserted it into the code and now it needs to have an order to append chapter 23 of the code to include the highlighted area.

PLANNING BOARD

§23-1. Establishment.

§23-2. Membership; appointment; terms; vacancies.

§23-3. Chairman and Secretary; other offices; terms.

§23-4. Disqualification from voting.

§23-5. Meetings; quorum; minutes.

§23-6. Powers and duties.

[HISTORY: Adopted by the Town Council of the Town of Millinocket 7-21-1981 as Ch. 12 of the Millinocket Code. Amendments noted where applicable.]

GENERAL REFERENCES

Planning Board — See Charter, §C701

§23-1. Establishment.

Pursuant to the Maine Constitution Art. 8, Pt. 2, and 30 M.R.S.A. 1917, the Town of Millinocket hereby establishes the Millinocket Planning Board.

§23-2. Membership; appointment; terms; vacancies.

A. Appointment by municipal officers. Appointments to the Board shall be made by the municipal officers.

B. Number of members. Board shall consist of seven (7) members and two (2) alternates, who shall be allowed to participate fully in Board discussions and, when appointed by the Chair or Acting Chair to replace an absent or excused regular member, allowed to vote as

a regular member. [Amended 1-12-1995 by Ord. No. 9-94]

- C. Term. The term of each member shall be five (5) years.
- D. Vacancy. When there is a permanent vacancy, the municipal officers shall, within sixty (60) days of its occurrence, appoint a person to serve for the unexpired term.
- E. Municipal officers as members. No municipal officer may serve as a member.

§23-3. Chairman and Secretary; other offices; terms.

The Board shall elect a Chairman and a Secretary from among its members and create and fill such other offices as it may determine. The term of all offices shall be one (1) year, with eligibility for reelection.

§23-4. Disqualification from voting.

Any question of whether a member shall be disqualified from voting on a particular matter shall be decided by a majority vote of the members except the members who are being challenged.

§23-5. Meetings; quorum; minutes.

- A. Regular meetings. The Chairman shall call at least one (1) regular meeting of the Board each month, or the Board shall meet as required.
- B. Quorum. No meeting of the Board shall be held without a quorum consisting of four (4) members. When a quorum is present, any vote taken at such a meeting shall be a valid vote if passed with a simple majority of those present and voting.
- C. Rules; minutes. The Board shall adopt rules for transactions of business, and the Secretary shall keep a record of its resolutions, transactions, correspondence,

§23-5

PLANNING BOARD

§23-6

findings and determinations. All records shall be deemed public and may be inspected at reasonable times.

§ 23-6. Powers and duties.

- A. Comprehensive Plan. The Board shall prepare a Comprehensive Plan pursuant to 30 M.R.S.A. §§4961 and 4962.
- B. Other duties. The Board shall perform such duties and exercise such powers as are provided by town ordinance and the laws of the State of Maine.
- C. Goods and services. The Board may obtain goods and services necessary to its proper function within the limits of appropriations made for the purpose.

Testimony on L.D. 2094 An Act To Implement the Recommendations of the Task Force on Changes to the Maine Indian Claims Settlement Implementing Act

Senator Carpenter, Representative Bailey, members of the Joint Standing Committee on Judiciary, thank you for this opportunity to provide my perspective on L.D. 2094, *An Act to Implement the Recommendations of the Task Force on Changes to the Maine Indian Claims Settlement Act*.

I appreciate your willingness to consider the challenging issues of whether and how provisions of the Maine Implementing Act, 30 M.R.S. 6201 *et seq.* (MIA), should be amended. It is clear to me that this Legislature is committed to responsible and appropriate actions that will improve the Tribal-State relationship in Maine. I share that commitment.

Maine people and members of the Tribes are fortunate to call this beautiful land home. We are fortunate to hunt in the same woods; fish from the same rivers; drink the same water, and breathe the same air. These shared experiences bind us together, as do our shared challenges. After all, the lack of a good education; the absence of affordable, high-quality health care; and the need to strengthen and diversify our economy are all issues that impact us – and so it should be that we work together, rather than divided, to address them.

In this bill, I see several opportunities to do just that. For example, I agree that MIA should not be viewed as an untouchable accord never to be revisited. In fact, the MIA has been amended in a number of respects to address and remedy specific problems. It is appropriate to examine carefully and critically specific areas where we can forge agreement for the improvement of all. To that end, there are certain provisions within L.D. 2094, like those focused on criminal jurisdiction, that we could support. It is appropriate, for instance, to consider providing equity in the authorities granted to each Tribe and enabling Tribes to try Tribal members for minor crimes committed on Tribal reservation lands. I also see an opportunity here to pursue amendments that would provide the Maine Indian State Tribal Commission (MITSC) with more authority to act as a potential alternative dispute resolution forum. I hope that we can make progress in areas like these.

However, in reviewing the complex provisions of L.D. 2094, I am concerned about the sweeping nature of the bill, the impacts on non-Tribal citizens and communities, and the extent to which those impacts have been given due consideration and explained to the public. In fact, I am deeply concerned that if enacted in its current form, this bill would actually have the opposite of its intended effect and would lead to the degradation of the Tribal-State relationship by giving rise to disputes and disagreements over the meaning and effect of its provisions, thereby breeding confusion and extensive litigation at a time when we have finally begun to move past those.

For example, in its substance, L.D. 2094 would substantially alter the jurisdictional framework that governs the Tribal-State relationship in Maine.

1. The bill would allow Tribes to acquire land anywhere in the State, which land could then be designated as Tribal Trust land and removed from the State's jurisdiction. Section 23 of the bill would abdicate all authority of the Legislature over activities that occur on current and later-acquired Tribal lands, which are now subject to Maine's laws and executive agency regulations. Neither the Maine Legislature nor adjacent municipalities would have any influence

PRINTED ON RECYCLED PAPER

TTY USERS CALL 711

FAX: (207) 287-1034

PHONE: (207) 287-3531 (Voice)

over land use or similar issues on such lands, including within the newly created jurisdictional enclaves that could be created anywhere in the State. Nor could state labor laws, the Forest Practices Act, air quality standards, mining regulations or any other provisions of state law apply with the new broad and indefinite areas termed "Tribal Lands." In fact, because each of the five Tribes would be able to enact their own regulations, conceivably the state would host five different sets of laws and enforcement standards. It requires no imagination to foresee how jarring and disruptive this would be to local communities and to the state, yet few people seem aware the Legislature is considering a bill that would provide for that result.

2. Section 12 of the bill, which exempts both current and later-acquired Tribal lands from State and local taxation, would have obvious consequences for State and local revenue, as well as for small business owners who may suddenly find themselves up against tax-free competitors that need not comply with regulatory standards that apply to non-Tribal actors.
3. Title 30 MRS 6207 2-A allows the State to regulate fishing by Indians off tribal lands "solely for conservation purposes....to the extent permitted under federal Indian law and in a manner consistent with reserved tribal treaty rights". We should ask ourselves who would determine if the law meets the three criteria (i.e. is it solely for conservation purposes AND to the extent permitted under Federal Indian law AND in a manner consistent with reserved tribal treaty rights?) and therefore applies to tribal members?
4. Recommendation 10 amends the Maine Implementing Act to restore and affirm the Tribes' rights to exercise regulation of natural resources and land use on Tribal land to the fullest extent under federal Indian law. Under this proposal Maine communities would have no influence on development projects on tribal lands regardless of their potential impact on those communities.
5. Recommendation 7 calls for stronger alignment with federal law and associated resource management oversight includes "nontribal" lands that are "usual and accustomed" fishing places. However, there is no common understanding about how that term would apply in Maine, and as such the scope of reach and potential state resource concerns cannot be assessed. At its broadest, this could mean that Tribal members could hunt or fish anywhere in Maine, without limits and without any oversight by the State.
6. It is also unclear what federal law would apply and what federal agencies would be responsible for enforcement and regulations in those areas newly described as "Tribal Lands."

Each of these recommendations would make substantial changes to the way people live and work in Maine. Each deserves careful thought and thorough public airing. I urge this Committee to take its time, to not rush this legislation to the floor, but to consult and deliberate with all affected parties to avoid the significant unintended consequences of these proposals. However well-intentioned, the potential rushed enactment of such sweeping changes should give us pause before we risk jeopardizing efforts to build a better relationship.

It is also critical to understand that this statute has a unique connection to federal law. The traditional legislative process we are accustomed to involves only Maine's Legislature and Governor. For MIA alone, any changes to the Act must also be agreed to by the Tribes, which means that if the Legislature decides in the future that any of the changes proposed in this bill have unexpected negative consequences, it will be unable to alter the law without the Tribes' consent.

To the extent the Committee has questions about this, as I expect it will, I urge you to seek guidance from the Attorney General and to proceed with great caution and only with the most clear and complete understanding of the implications of its decisions. Changes to the Act need to be well understood and made with input from all affected parties.

In the meantime, I believe we should continue to focus on areas of agreement. I have been invited to meet with the Tribes, and I look forward to doing so in the coming months. I am committed to working together to remove disparities for Tribal citizens and contribute to a paradigm of mutual respect.

To that end, this past year the Legislature enacted bills establishing Indigenous Peoples' Day and prohibiting Native American mascots in Maine schools. We worked together to put into law historic new protections for sustenance fishing, addressing a longstanding point of contention between the Tribes and State government. Maine now has in place the strictest water quality standards in the country to protect against toxic pollutants in a set of waters of significance to Tribal communities. The collaborative and respectful process employed to develop these standards can and should be a model for how we can side-step legal disagreements to find meaningful solutions to real world problems.

My Administration is also working every day on a host of projects, from small to large, that will directly benefit Tribes and Tribal members in Maine. We are working closely with the Passamaquoddy Tribe at Pleasant Point to identify and secure a permanent supply of clean, reliable and high quality drinking water. This project will likely take several years to complete. If successful, it will significantly and permanently improve the day-to-day lives of those who reside at Pleasant Point.

My Department of Economic and Community Development is working with the Passamaquoddy community at Pleasant Point to establish a Native Entrepreneur Center model of coworking and small business support. We are also involved with efforts to develop a model Wabanaki Uniform Commercial Code for Maine's four tribes to make contracts and other investment agreements between Tribal businesses and non-tribal members more predictable and consistent, to encourage outside investment.

My Department of Inland Fisheries and Wildlife is partnering with Tribal members on efforts to restore habitat for a suite of migratory fish including alewives, shad, and Atlantic salmon. We are also collaborating on the Northeast Deer Research Partnership, which is an international effort to determine the role of winter severity, forest management, supplemental winter feeding, and other factors affecting deer populations at the edge of their range in the northeast. We routinely share wildlife harvest data to ensure effective management of wildlife resources. And, tribal wardens go through rigorous training at MDIFW's Advanced Warden School.

These efforts show that we are working together to solve identifiable problems and advance new Tribal-State initiatives. We can, and should, do more.

Thank you for your consideration, my Administration, including my Cabinet members, stands ready to work with the Committee, the Tribes, and the Attorney General's Office as this bill moves forward.

MEDWAY FIRE DEPARTMENT

23 Grindstone Road
Medway, ME 04460

Fire Service Mutual Aid Agreement

I. Purpose

The purpose of this agreement is to describe the terms and conditions under which Medway Fire Department & Millinocket Fire Department will provide firefighting services to each other.

II. Definitions:

In this agreement, unless the context otherwise dictates, the following terms or phrases shall have the following meaning:

"Firefighting services" means the personnel and equipment for preventing or extinguishing fires. This term does not include first responder, rescue or emergency medical services.

"Medway Fire Department" means the organized firefighting unit established under the Town of Medway charter, ordinance or bylaws to prevent and extinguish fires.

"Firefighter" means an employee or volunteer, whether full-time or on call of the Medway Fire Department, who aids in the extinguishment of fires or an individual who receives compensation from Medway for aiding in the extinguishment of fires.

"Millinocket Fire Department" means the organized firefighting unit established under the Town of Millinocket charter, ordinance or bylaw to prevent and extinguish fires

"Jaws-of-Life Service" means the equipment used for patient extraction from motor vehicles.

III. Term:

This agreement shall commence on the date of signing and will extend until 08/31/2021 and then be renewable automatic annually thereafter, unless there is a written request from either party to review conditions for the continuation of this service. A sixty (60) day notice will be given by the party for this review.

Chief: Aaron T Lee

MEDWAY FIRE DEPARTMENT

23 Grindstone Road
Medway, ME 04460

IV. Service Provisions:

A. Service Area:

- i. The Medway Fire Department will provide mutual fire service aid to the entire Town of Millinocket in accordance with this contract and the provisions herein.
- ii. The Millinocket Fire Department will provide mutual fire service aid to the entire Town of Medway in accordance with this contract and the provisions herein.

B. **Request for Fire Service:** The Medway Fire Department and the Millinocket Fire Department shall provide services to each other when requested by the Fire Chief or ranking officer of the fire department. The request for service may include placing personnel and equipment on stand-by – alert status at a fire station or some other location within the municipalities.

C. **Request for Jaws –of –Life:** Once the initial request is made for the Jaws of Life, by the Millinocket Fire Department Chief or other official member of the Department. The Medway Fire Department shall respond to the scene in an emergency mode. Emergency mode is defined as lights, & siren. Dispatch shall deliver only an informational radio transmission stating the nature of the accident and the disposition of the fire apparatus. This informational radio transmission shall not be considered as a request for manpower. If the requesting department determines that the Jaws-of-Life are not needed that requesting department shall notify the responding engine and crew.

D. **Response to request for service:** Each fire department shall respond to a request for service in a prompt and safe manner. If either fire department receives more than one request for service at the same time, the ranking officer of the fire department shall have sole discretion as to how its firefighters and equipment shall respond to the request.

E. **Priority of Service:** The first and highest priority for each fire department shall be protection of persons and property within its own municipality. Each fire department is not required to respond to a request for assistance in the municipality if it is already responding to a request in its own municipality. Each fire department may recall any and all of its firefighters and equipment from responding to a request in the other municipality, in order to respond to a request in its own municipality.

F. **Retention of Equipment and Personnel:** Each fire department has the right to retain such firefighters and equipment as necessary to provide its services in its municipality that are reasonably foreseeable.

Chief: Aaron T Lee
Fax: (207)-746-5877

Mailing: 4 School Street, Medway, Maine 04460
Email: medwayfd88@gmail.com

Phone: (207)-746-9618

MEDWAY FIRE DEPARTMENT

23 Grindstone Road
Medway, ME 04460

- G. Incident Commander:** The incident commander shall be the Fire Chief or ranking officer of the fire department of the municipality in which an incident occurs. Both fire departments shall operate under the direction of the incident commander until dismissed by the incident commander. Each fire department shall supervise its own firefighters.
- H. Unavailability:** If either fire department is unable or unavailable to provide firefighting services requested by the other fire department, it shall immediately notify the Chief or ranking officer of the requesting fire department through the Penobscot Regional Communications Center (PRCC).
- I. Resources:** Any and all unrequested resources shall remain at the base of either fire department until formally requested. This action will reduce the chance of scene clutter and congestion creating a hazard to department employees and the general public.
- J. Communication:** All communications will generally be the local primary frequency of the department requesting assistance. The frequency of the mutual aid town, as well as state fire may be used as sector, water supply, staging etc. frequencies at the discretion of the incident commander. All mutual aid crews and personnel will keep in communication with Command to the degree required for safety by sectoring and/or the use of portable radios on the fireground frequency.
- K. Assignments:** Once the mutual aid department has arrived on any emergency scene, they shall part in their assigned or designated area per determined by the commanding officer. All members of the mutual aid department shall then report to the commanding officer for further assignment. **NO FREELANCING** on any fire ground will be tolerated and the department maybe asked to leave.
- L. Contracted Services Mutual Aid:** The fire departments listed in this agreement, agree to provide mutual aid protection in regard to contracted services outside of the two towns. The agreed areas are noted below:

- i. Medway: _____

- ii. Millinocket: _____

Chief: Aaron T Lee
Fax: (207)-746-5877

Mailing: 4 School Street, Medway, Maine 04460

MEDWAY FIRE DEPARTMENT

23 Grindstone Road
Medway, ME 04460

V. Compensation:

Fire services provided by either fire department pursuant to this agreement shall be rendered without cost or reimbursement. In the event of a Maine State declared forest fire, the State shall make reimbursement to participating fire departments according to a State formula established by the Maine Department of Conservation, Bureau of Forestry.

VI. Liability:

Medway Fire Department and Millinocket Fire Department are each responsible for damage or loss of its own equipment, except for damage or loss caused by the negligence or fault of the other party.

By requesting and accepting firefighting services under this agreement, Medway Fire Department and Millinocket Fire Department agree to indemnify and hold harmless the other municipality from any and all liability, loss or damage that the assisting municipality may suffer as a result of claims, demands, cost, or judgments against it, whether such claims or actions be rightfully or wrongfully brought or filed, arising from or during the course of providing service, or failing to respond to request for service, under this agreement. This indemnity includes any and all cost for defending such claims or actions, including attorney fees.

Medway Fire Department and Millinocket Fire Department agree to notify each other in writing within ten (10) days, by registered or certified mail, of any claim made against either party for the obligations, which are indemnified herein.

VII. Insurance:

Medway Fire Department and Millinocket Fire Department shall each provide workers' compensation insurance to cover its own personnel for compensable injuries arising out of services rendered under this Agreement.

Medway Fire Department and Millinocket Fire Department will each maintain sufficient liability insurance on its vehicles and other liability insurance consistent with the limits on liability in the Maine Tort Claims Act.

VIII. Termination:

Either party, for any reason, upon thirty (30) days written notice to the other party may terminate this agreement.

Chief: Aaron T Lee

IX.

Entire Agreement: This agreement constitutes the entire agreement between the parties hereto with regard to the matters contained herein. The captions used in this agreement are to help organize the document for reading only, and they are not a substantive part of this agreement. This agreement may be executed simultaneously in two or more counterparts, each of which will be deemed an original, and all of which together will constitute but one and the same instrument.

Modification: This agreement may not be modified orally, but only by an agreement in writing signed by the parties hereto.

Area Maps: Upon contract signing, the departments will supply an official town map of the area to be covered by this contract. Said maps shall outline residential, commercial, and industrial buildings. The departments named in this agreement will make revisions to these maps at least annually.

Mutual Aid Department POV's – No department members responding to the Medway Fire Department or Millinocket Fire Department shall respond POV to a fire scene as this creates un-needed clutter on scene unless providing beneficial interior qualified manpower.

Severability: The invalidity or unenforceability of any particular provision of this agreement will not affect the other provisions hereof, and this agreement will be construed in all respects as if such invalid or unenforceable provisions were omitted.

Governing Law: This agreement will be construed, interpreted and enforced in accordance with the substantive laws of the State of Maine, without giving effect to its conflicts or law's provisions.

To: John Davis
Subject: Notice of Mailing to Homeowners

Dear Millinocket ,

We hope that you, your family and friends remain safe and healthy as events around the coronavirus (COVID-19) continue to unfold. We are writing to you as a municipal leader in the Millinocket area to inform that we will continue to offer programs to help homeowners with unexpected repairs.

As you may know, most homeowners are not aware that they may be responsible for the water and sewer lines running through their property. American Water Resources will soon send a letter to Millinocket residents informing them of their service line repair and maintenance responsibilities, and how they can count on our protection plans to save themselves from the financial stress of unexpected service line repairs.

The educational material will explain that:

- Normal wear and tear can cause water line leaks or sewer line clogs and blockages.
- Homeowners may be responsible for making the necessary repairs on their property; not the utility or municipality.
- Repairs can cost thousands of dollars and are not typically covered by standard homeowners' insurance.
- **Our programs are optional and offered by American Water Resources, and that we are independent of the City of Millinocket.**

Our primary concern is the health and safety of the customers and communities we serve, as well as that of our employees, families, and contractor network. During this period, we have requested that our employees and service contractors take necessary steps to protect our customers. ***Please know that we are here if you need us.***

Also, during this time while many are home and using the facilities more frequently than usual, passing along some helpful homeowner tips around flushable wipes and ways to avoid costly clogs or blockages: <https://awr.usa.com/page/52011-0/208730>. Please feel free to share via your social platforms.

While not our priority at this time, if your city is interested in partnering with us, we will be available to talk about partnerships after the world returns to a more stable place. We would provide you with a turn-key program that requires minimal effort by your city with no cost to implement.

For additional information about AWR, our programs or partnerships, please visit www.amwater.com, contact me at EPalm@amwater.com or 856-359-2794.

Respectfully,

Eric Palm

President
American Water Resources

Town of Millinocket
Attention: John Davis, Town Manager
197 Penobscot Ave
Millinocket, ME 04462

Re: Notice of Termination, Solar Power Purchase Agreement

Dear Mr. Davis,

It is with regret that I write to inform the Town of Millinocket that ReVision Energy Inc. and Millinocket Solar LLC hereby terminate the Solar Power Purchase Agreement (PPA) for the planned 426 kilowatt solar array to be located at the Millinocket Waste Water Treatment Plant, Medway Road Exd, Millinocket, ME.

This termination is exercised pursuant to Exhibit 4, Section 7.a.v of the PPA.

As you are aware, we were unable to obtain an interconnection permit for the solar array from the local utility (at the time Emera Maine, now Versant) because the existing utility service and substation are inadequate to support the solar array. ReVision tried several times to find a cost-effective solution, however the utility's estimated cost to upgrade the substation, electrical service and transformers serving the WWTP was \$850,000, roughly doubling the cost of the project.

We are interested in continuing to work with the Town of Millinocket on reaching your renewable energy goals. We would be happy to continue working with you to identify alternat town-owned solar sites that would be appropriate for this project, or to provide you with a Power Purchase Agreement offer for a solar project built in an offsite location developed by ReVision Energy elsewhere in Versant's Bangor Hydro service territory. We are confident that we can make a competitive offer for either project type.

Sincerely,

A handwritten signature in black ink, appearing to read "Fortunat Mueller".

Fortunat Mueller,
President

Cc: Dean Beaupain, Esq., town attorney.

From: Jim Charette, Superintendent

Re: WW Operations Report

The treatment facility and pump stations are all functioning well. Summer time maintenance is performed along with added testing required during the summer months. On July 29th there was a bid opening for the Elm/Bates Streets project. Due to the timing of this bidding process, the bids all came in extremely high. For that reason the project will be rebid in January of 2021. We have recently requested from Olver Associates to assess the Main Pump Station for a large scale upgrade needed at the ageing facility. This was done for the annual Clean Water Needs Survey.

OLVER ASSOCIATES INC.**ENVIRONMENTAL ENGINEERS**

July 30, 2020

Mr. James Charette, Superintendent
Millinocket Wastewater Treatment Plant
c/o Millinocket Town Office
197 Penobscot Avenue
Millinocket, Maine 04462

Dear Jim:

It was a pleasure meeting with you recently to review potential upgrades that might be beneficial at the Main Pump Station. We understand that the last pump station upgrade was designed twenty-eight years ago back in 1992. Given that the typical useful life of most wastewater mechanical equipment is expected to be about twenty-to-thirty years, the present station has served the Town well for nearly three decades. This is an appropriate time to consider the upgrade of critical process components before they experience failure. The Main Pump Station is an important part of the Town's wastewater infrastructure system as all flows in the community must pass through this station in order to reach the treatment plant.

The station appears to be in very good condition for its age. Based upon our field review and discussions, we understand that the major objectives of the upgrade to be as follows:

- The headworks screen collects debris and must be manually raked. During peak flow events, plant staff must rush to the station to remove debris to avoid the station becoming flooded if the screen becomes blinded by debris. We understand that there have been close calls, especially at night when sudden rain events occur. We discussed installing an automatic, vertical screen that would clear itself and bring debris up to the operating floor.
- If the old, inoperable generator is removed from the operating floor, and if some of the present space used for a remote toilet and storage area could be repurposed, it would be possible to block off an area of the first floor as an extension of the lower headworks room. This would allow screenings to be conveyed upstairs into a bin provided that the new room was sealed and

Mr. James Charette, Superintendent

July 30, 2020

Page 2 of 4

ventilated to make it explosion proof. A separate door to the outside would need to be added.

- The station's three pumps should be upgraded to newer, energy efficient units with VFD drives and an updated control panel. It is assumed that modifications to the MCC would be required since it is becoming increasingly difficult to find replacement parts for old panels and the intent is for the upgraded equipment to serve the Town for the next thirty-year cycle and perhaps longer. The new pumps should be located under the ceiling hatches which were originally placed there for that purpose. The 1992 pumps were placed off-center to the hatches which makes their removal difficult. This will require minor piping modifications.
- The station has many large 12" Ø and 18" Ø valves that should be considered for replacement. The present weighted check valves should be upgraded with cushioned check valves that are better suited to mitigate the water hammer that is created in the long force main. This should reduce some of the vibration in the piping that has broken connection points.
- The 18" Ø flow meter should be considered for replacement given its age.

In order to prepare potential funding applications for this work, we have developed the following preliminary, order-of-magnitude planning level cost estimate for the Main Street Pump Station upgrade. The estimate is based on our database of similar pump station upgrades throughout Maine and reflects 2020 dollars. A more detailed cost estimate can be made based upon a detailed takeoff from final plans at the completion of the design stage.

OLVER ASSOCIATES INC.

Mr. James Charette, Superintendent

July 30, 2020

Page 3 of 4

PRELIMINARY ORDER OF MAGNITUDE PLANNING LEVEL COST
ESTIMATE FOR MAIN PUMP STATION UPGRADE

<u>Cost Category</u>	<u>Estimate</u>
Vertical auger screen/wash press	\$ 140,000
Pumping equipment	175,000
VFD drives/instrumentation	70,000
Pump station control panel	60,000
MCC modifications/upgrades	100,000
Flow meter	20,000
Equipment installation	450,000
Headworks ceiling hatch	5,000
Masonry block wall construction	20,000
Exterior double door	5,000
Steel reinforcement at floor penetrations	15,000
Demolition	70,000
Piping	85,000
Valves	195,000
Electrical	230,000
HVAC	95,000
<u>General conditions</u>	<u>175,000</u>
Subtotal	\$ 1,910,000
Design allowance	150,000
Inspection allowance	160,000
<u>Contingency allowance</u>	<u>200,000</u>
Subtotal	\$ 2,420,000
<u>Construction market cost inflation to bidding year</u>	<u>250,000</u>
<u>PLANNING LEVEL COST ESTIMATE FOR FUNDING</u>	<u>\$ 2,670,000</u>

OLVER ASSOCIATES INC.

Mr. James Charette, Superintendent
July 30, 2020
Page 4 of 4

As shown above, we suggest that a planning level budget of \$ 2,670,000 be established for this project. This estimate can be refined at the end of the design stage when more detailed information can be costed off a final plan takeoff. If the Town were to borrow these funds from the CWSRF program at a 1.5% interest rate over a thirty-year term, the annual debt service payment would be about \$ 110,000 per year. On behalf of the Town, we can also seek potential grant funding to reduce the local cost impact.

We hope that this information is helpful as you consider potential upgrades of the Main Pump Station. We are available to meet with you at your convenience to discuss this preliminary cost estimate further. In the meantime, please call if you have any questions or if we can provide any additional information. As always, we appreciate this opportunity to be of continued professional engineering service to the Town of Millinocket.

Very truly yours,
OLVER ASSOCIATES INC.

Maine Department of Environmental Protection 2020 Clean Watershed Needs Survey

Line #	Facility Information	Instructions
1	Facility/Collection System Name Town of Millinocket	If your organization owns both the sewer collection system and treatment facility, enter the name of the treatment facility (for example: Chickadee Creek WWTF). If your organization only owns the sewer collection system, enter the name of your organization followed by sewer collection system (for example: Pineville Sewer Collection System).
2	Regional Treatment System Affiliation (name of treatment entity)	If you are part of a regional sewer collection and treatment system, enter the name of the entity that owns the wastewater treatment facility.
3	Owner/Utility Name Town of Millinocket	Enter the legal name of the owner/utility in charge of the facility/collection system entered in Line 1.
4	Point of Contact Jim Charette, Superintendent	Enter the full name of the responsible official who we may contact with questions about the information provided.
5	Mailing Address 197 Penobscot Avenue	Enter the mailing address for the owner/utility in charge that was entered in Line 3.
6	Municipality Millinocket	Enter the name of the city or town associated with the mailing address entered in Line 5.
7	Zip code # 04462	Enter the zip code associated with the mailing address entered in Line 5.
8	Phone # 723-7040	Enter the daytime phone number that we may use to call the Point of Contact entered in Line 4.
9	Email Address wastewater@millinocket.org	Enter the Point of Contact's email address we may use to contact them if we have follow-up questions.
10	Receiving Waters (list all) Penobscot River	Enter the receiving waters listed in the NPDES/MEPDES Permit/ WDL for the facility that treats your wastewater. For spray irrigation, snowmaking, or subsurface disposal systems, enter "Groundwater."
11a	Are you currently using an Asset Management Program for planning purposes? (Yes/No)	Enter "Yes" if you have a formal asset management program that you use for internal planning purposes. Enter "No" if you do not. EPA defines asset management as, "the practice of managing infrastructure capital assets to minimize the total cost of owning and operating these assets while delivering the desired service levels. A high-performing asset management program includes detailed asset inventories, operation and maintenance tasks, and long-range financial planning." Note that the needs you specify in the Needs Information portion of this survey should be consistent with your asset management program.
11b	If yes, does your program include asset replacement costs? (Yes/No/NA)	Enter "Yes" if you have specifically identified costs associated with the maintenance, rehabilitation, and replacement of assets in your Asset Management Program. Enter "No" if you do not. Enter "NA" if you answered "No" in Line 11a.
12	If you do not have any Documented Needs, please enter "No Documented Needs"	Refer to the "Needs Info Instructions" tab for instructions on Needs and what types of Needs Documents are acceptable. If you have no Needs that can be documented, please enter "No Documented Needs".

July 30, 2020

Mr. John Davis, Town Manager
Millinocket Town Office
197 Penobscot Street
Millinocket, Maine 04462

Dear John:

On Wednesday July 29, 2020 bids were opened for the Bates Street and Elm Street Area Sanitary Sewer Replacement project. Three bids were received as follow:

CONTRACTOR	ADDRESS	BASE BID	ALT. NO. 1	ALT NO. 2	ALT NO. 3	ALT NO. 4
Trombley Construction	Presque Isle, Maine	\$1,603,890	\$249,400	\$11,200	\$213,550	\$30,000
T. Buck Construction	Auburn, Maine	\$2,290,000	\$237,802	\$15,400	\$341,200	\$19,000
Sargent Corporation	Stillwater, Maine	\$2,445,100	\$305,950	\$13,650	\$232,000	\$48,000

A tabulation of the bids is attached. The bid items were as follows:

Base Bid: The replacement of vitrified clay sewer pipe on Somerset, Lincoln, Oxford Streets and part of Elm & Lincoln Streets with PVC pipe with trench patching repairs only, along with lining of the sewer on Bates Street. This would be paid for by the Town with CDBG grant and DEP loan funding.

Alternate 1: Maine Water Company work to replace the 6" cast iron water main on Elm Street with 8" ductile iron pipe.

Alternate 2: Added water valves replacement on Elm Street.

Alternate 3: Milling off surface pavement and repaving the top 1.5 inches of pavement after trench repair on Oxford, Somerset and Elm Streets. This would be paid for by the Town with CDBG grant and DEP loan funding.

Alternate 4: The contractor would temporary water for the Elm Street work.

The basis of determining the low bid was the base bid, which was the Town's sewer work. As you are aware, Trombley Construction has withdrawn their bid because they made an error in its preparation. The other bids were significantly higher than what we consider reasonable pricing, likely because they are busy and don't need the work this year.

OLVER ASSOCIATES INC.

Mr. John Davis, Town Manager

July 30, 2020

Page 2

Maine Water is looking at the possibility of completing their work and is speaking to these contractors about what the pricing would be for just that scope because they would like to complete this work within their 2020 fiscal year.

The Town's funds available in the existing grant/loan package are about \$1,400,000. Our recommendation is that this project be rebid in January when there is potential of receiving more competitive bids. We should note that when this project was initially planned, it was only going to include Bates Street, a section of Elm, and Oxford and Knox Streets. We ended up adding Somerset and some of Oak Street after the TV camera work was completed hoping to receive low enough bids to do all the work. We will review the plans and bids received and determine if the Town's scope should be modified before the rebid is solicited to stay within that budget.

Please let us know if you have any questions.

Very truly yours,

OLVER ASSOCIATES INC.

Memo

To: Town Manager
From: Chief of Police
CC: Town Council
Date: August 6, 2020
Re: Activity report

- *We generated or responded to 353 Incidents since July 1, 2020 to July 31, 2020. **It should be noted**, that for the same time frame in 2019, there were 523 calls for service.*
- *Major incidents for the time period (2020) were 30 citizen/agency assists, 21 medical calls, 29 Information complaints, 9 welfare checks, 7 PD accidents, 6 disorderly conducts, 12 theft arrests, 12 suspicious and noise problems, 15 - 911 hang ups and 7 family fight calls.*
- **Chiefs report**
- Still covering for vacations, short shifts and prisoner transports. I am working a modified schedule to allow for double coverage during the peak call hours.
- Training of personnel this period included a roll call training video from Truckers Against Trafficking, on detection and apprehension of people that may be a victim of human trafficking. Focusing on those that are in our community or traveling through our area.
- Would like permission to resend the request for bid for the replacement cruiser. Due to COVID restrictions and reduced manufacturing of vehicles, the

dealerships had a difficult time quoting a 2020 and several have asked to quote the 2021 model. I would like to have a comparison of patrol SUV's, the Dodge Durango was the only SUV quoted.

- We are taking part in the State of Maine Department of Public Safety, Coronavirus Emergency Supplemental Funding Program as a Subgrant and have submitted for \$4800.00 for the staffing levels of the Police Department. This grant allowed the Millinocket Police Department to submit for reimbursement for \$600 per full time and \$300 per part time officer. These funds must be used to "to prevent, prepare for, and respond to COVID -19". I recommend that we place these funds into "E0201-0435", to better track PPE purchases.
- I would like to thank Katahdin True Value as they donated a 10,000 btu air conditioner to the Millinocket Police Department, during this extremely hot spell we are having. Our regular air conditioner stopped working this year (old unit appeared to be decades old) and a replacement unit was purchased, but has not been installed as of yet.
- NIBRS training, Sgt. Winslow and myself have been trained to make a switch from one computer classification system UCR (Uniform Crime Report) to the newer National Incident Based Reporting System, which will help streamline our reporting to the State Police and FBI.
- In a meeting with Sheriff Morton in regards to the Penobscot County Jail on the 6th, he has reduced the population of the jail from at time over 200 inmates to approximately 120 due to COVID-19. The state Department of Corrections has set the max number of inmates at 157. Presently the County has between 50-60 inmates boarded out to other facilities and 130 out on a Maine Pre-Trial Contracts. The Police Department will continue to release arrestees from the station on non-secured bails, which will help keep the jail population down and in doing so saves on overtime transporting an arrestee.

Manager Davis,

Still have one FF/Paramedic out for injury, Chief filling day shift for time off.

Have been in constant communications with Maine CDC, ME EMS, and other State groups on this ever-changing situation. Am involved in multiple Zoom and other ways of meeting with these groups daily including weekends.

Continue to pass on daily numbers of COVID-19 cases around the State to the Town Manager.

Monitoring crew and making sure that everyone is trying to keep safe and mentally conditioning during stressful times.

Fire Station is still locked down.

Ordered and received two Apple IPAD laptops, with cases, covers, and pens. These were purchased with monies from the DiBona donation account and will help to upgrade our system for MEEMS run reports. One unit will be in dispatch and the other unit is assigned to 798 our transfer ambulance.

Attended NFPA webinar on this year's Fire Prevention program and what is available.

Attended webinar through Maine Ambulance Association concerning CARES Act monies and how it can be used by ambulance service.

Continued to work with Medway Fire Dept. on an updated mutual aid agreement for Fire and also with a mutual aid agreement for Ambulance service with Millinocket providing ALS backup coverage to Medway.

788 the 2015 Chevrolet Ambulance is out of service with engine issue, unsure what problem is yet awaiting news from PW.

Manager Davis,

Participating in numerous teleconferences and webinar concerning the Corona Virus and precautions and protocols recommended by CDC, EMA, and Maine EMS.

Stay in contact with MRH on numbers of tests done their and any positive cases that are in our area, seems that we have done very well, and numbers are staying on the low side

Do frequent checks at pool and playgrounds to monitor what is happening and numbers, things have really been going well with no issues.

Had concerned citizen inquire about the Toxic Blue-Green Algae that has been affecting some ponds in Maine, spoke with DEP and it is Algal Bloom and there are no known issues in our area with this.

Worked with group on a Health Maine grant through FEMA for a "MASK ME" program for our area with the help of Mobilizing Katahdin.

Attended ZOOM meeting on CARES ACT grant program and what is required for tracking of these grants.

Continue to work with out of state residents on testing and what they need to do if coming to the area. Pass on latest information from ME CDC.

- ☐ Tavern (Class IV) ☐ Other: _____
- ☐ Qualified Caterer ☐ Self-Sponsored Events (Qualified Caterers Only)

Refer to Section V for the License Fee Schedule on page 9

5. Business records are located at the following address:

70 Penobscot Ave., Millinocket, ME 04462

6. Is the licensee/applicant(s) citizens of the United States? ☒ Yes ☐ No

7. Is the licensee/applicant(s) a resident of the State of Maine? ☒ Yes ☐ No

NOTE: Applicants that are not citizens of the United States are required to file for the license as a business entity.

8. Is licensee/applicant(s) a business entity like a corporation or limited liability company?

☒ Yes ☐ No If Yes, complete Section VII at the end of this application

9. For a licensee/applicant who is a business entity as noted in Section I, does any officer, director, member, manager, shareholder or partner have in any way an interest, directly or indirectly, in their capacity in any other business entity which is a holder of a wholesaler license granted by the State of Maine?

☐ Yes ☒ No

☒ Not applicable – licensee/applicant(s) is a sole proprietor

10. Is the licensee or applicant for a license receiving, directly or indirectly, any money, credit, thing of value, endorsement of commercial paper, guarantee of credit or financial assistance of any sort from any person or entity within or without the State, if the person or entity is engaged, directly or indirectly, in the manufacture, distribution, wholesale sale, storage or transportation of liquor.

☐ Yes ☒ No

If yes, please provide details: _____

11. Do you own or have any interest in any another Maine Liquor License? ☐ Yes ☒ No

If yes, please list license number, business name, and complete physical location address: (attach additional pages as needed using the same format)

Name of Business	License Number	Complete Physical Address

12. List name, date of birth, place of birth for all applicants including any manager(s) employed by the licensee/applicant. Provide maiden name, if married. (attach additional pages as needed using the same format)

Full Name	DOB	Place of Birth
George S. Simon	08/13/50	Millinocket
Beatrice M. Simon (St. John)	10/11/50	Caribou

Residence address on all the above for previous 5 years	
Name George	Address: 70 Penobscot Ave., Millinocket
Name Bea	Address: " " "
Name	Address:
Name	Address:

13. Will any law enforcement officer directly benefit financially from this license, if issued?

☐ Yes ☒ No

If Yes, provide name of law enforcement officer and department where employed:

14. Has the licensee/applicant(s) ever been convicted of any violation of the liquor laws in Maine or any State of the United States? ☐ Yes ☒ No

If Yes, please provide the following information and attach additional pages as needed using the same format.

Name: _____ Date of Conviction: _____

Offense: _____ Location: _____

Disposition: _____

15. Has the licensee/applicant(s) ever been convicted of any violation of any law, other than minor traffic violations, in Maine or any State of the United States? ☐ Yes ☒ No

If Yes, please provide the following information and attach additional pages as needed using the same format.

Name: _____ Date of Conviction: _____

Offense: _____ Location: _____

Disposition: _____

16. Has the licensee/applicant(s) formerly held a Maine liquor license? ☒ Yes ☐ No

17. Does the licensee/applicant(s) own the premises? ☐ Yes ☒ No

If No, please provide the name and address of the owner:

George S. Simon 70 Pendscot Ave. Millinocket

18. If you are applying for a liquor license for a Hotel or Bed & Breakfast, please provide the number of guest rooms available: _____

19. Please describe in detail the area(s) within the premises to be licensed. This description is in addition to the diagram in Section VI. (Use additional pages as needed)

indoor + outdoor dining, kitchen, Storage

20. What is the distance from the premises to the **nearest** school, school dormitory, church, chapel or parish house, measured from the main entrance of the premises to the main entrance of the school, school dormitory, church, chapel or parish house by the ordinary course of travel?

Name: Your Family Worship Center

Distance: 1/4 mile

Section II: Signature of Applicant(s)

By signing this application, the licensee/applicant understands that false statements made on this application are punishable by law. Knowingly supplying false information on this application is a Class D Offense under Maine's Criminal Code, punishable by confinement of up to one year, or by monetary fine of up to \$2,000 or by both.

Please sign and date in blue ink.

Section III: For use by Municipal Officers and County Commissioners only

The undersigned hereby certifies that we have complied with the process outlined in 28-A M.R.S. §653 and approve this on-premises liquor license application.

Dated: August 13, 2020

Who is approving this application? ☒ Municipal Officers of Millinocket, Town of

☐ County Commissioners of _____ County

- ☒ **Please Note:** The Municipal Officers or County Commissioners must confirm that the records of Local Option Votes have been verified that allows this type of establishment to be licensed by the Bureau for the type of alcohol to be sold for the appropriate days of the week. Please check this box to indicate this verification was completed.

Signature of Officials	Printed Name and Title

**This Application will Expire 60 Days from the date of
Municipal or County Approval unless submitted to the Bureau**

Included below is the section of Maine's liquor laws regarding the approval process by the municipalities or the county commissioners. This is provided as a courtesy only and may not reflect the law in effect at the time of application. Please see <http://www.mainelegislature.org/legis/statutes/28-A/title28-Asec653.html>

§653. Hearings; bureau review; appeal

1. Hearings. The municipal officers or, in the case of unincorporated places, the county commissioners of the county in which the unincorporated place is located, may hold a public hearing for the consideration of applications for new on-premises licenses and applications for transfer of location of existing on-premises licenses. The municipal officers or county commissioners may hold a public hearing for the consideration of requests for renewal of licenses, except that when an applicant has held a license for the prior 5 years and a complaint has not been filed against the applicant within that time, the applicant may request a waiver of the hearing.

A. The bureau shall prepare and supply application forms.

PROVIDING FOR: Purchase of jet fuel operation from West Branch Aviation LLC.

IT IS ORDERED that the Millinocket Town Council approves the expenditure of funds of \$30,000 from the Assigned Fund Balance (Revaluation) to purchase the 1990 jet refueler vehicle from West Branch Aviation LLC (Tony Cesare).

IT IS FURTHER ORDERED that funds up to \$15,000 be expended from the Assigned Fund Balance (Revaluation) to purchase Jet A fuel.

IT IS FURTHER ORDERED that the revenue from the sale of Jet A fuel be refunded back to the Assigned Fund Balance (Revaluation) until the total of \$45,000 is reimbursed.

PASSED BY THE COUNCIL: _____

ATTEST: _____

John Davis

From: Ralph Soucier
Sent: Monday, July 20, 2020 3:34 PM
To: John Davis
Cc: Mary Alice Cullen
Subject: Jet A Fuel System information
Attachments: Jet A System July 2020.pdf

John – had a conversation with Tony this morning about his plans for the Jet A fuel truck. He plans on staying at the hanger for several more years, but does not want to sell Jet fuel in the near future.

I have attached 2 invoices. One for the truck as is . One for the inventory of fuel. There is “Prist” injector pump installed on the truck that stays with the truck. This is used for cold weather to inject anti ice agent into the fuel as required by the planes in colder climates. The other piece is the test equipment that also stays with the tank system which is used to verify the specific gravity of the fuel being pumped into the tank from the delivery tanker. A set of filters are being left on site as well which are changed annually on the pumping system from the tank to the truck.

Tony also explained that the helicopters and larger jets should not get close to the fuel farm for safety reasons. We don’t have a system to tug them around either. I am sure if he did not need a truck for re fueling he would not have one.

I asked Tony about different payment options for the Town to consider. I said he is very flexible and would work with the Town in any way desired for financing with a low interest rate and or delayed rent payments on the hanger.

The price of the truck alone = \$30,000

The fuel is based on the inventory left in the tank and truck at a price of \$2.15/gal. inventory now is about 7500 gallons.

The credit card machine can be switched very easy from World Fuel with just a phone call from Tony and a Electronic Funds Transfer Authorization Agreement filled out from World Fuel Services. I have attached a Processing fee structure for the credit card processing agreement.

I have also attached the World Fuel contact information for support rep. Janice Sales.

The budget we have now we could purchase the Jet fuel out of the avgas line or split that budget line. We really don’t know what the base line is going to be until we go a year or so.

The revenue line would be added with whatever we decide to accomplish for profit margin.

Ex.\$150/gal. ? right now Tony has a selling price of \$3.90/gal and an average purchase price of fuel at \$2.15/gal. that’s \$2.75/gal profit. The only thing I see to the Jet Fuel is we would advertise as Full Service and not Self Service. That would mean someone would have to be there when a Jet comes in to get fuel.

Regards,

Ralph Soucier, Airport Manager

A purchase and sale agreement should be drawn up between the parties if both parties agree to purchase.

Subject: Town of Millinocket P66 Branding Setup Overview - Start date 7.1.20
Attachments: Town of Millinocket - WFS Contact Sheet 2020.pdf

Dear Jeff,

Here are the steps that we will be going through to move over the P66 branded account from West Branch over to the Town of Millinocket:

- Town of Millinocket currently has a \$25k credit line and 30 day terms with WFS/Ascent Aviation Group
- A updated W9 & signed EFT form with bank information for credit card deposits will be required – sent both items to you Jeff
- WFS will setup a fuel farm (both Jet & Avgas) inspection to submit to P66 (this is required for a new account and when a name change is made on a current account) – the inspection may be done over the phone with requested photos and filter records
- Once the inspection is approved, a fuel supply agreement and P66 branding agreement will be sent over for review. Once an agreement is reached and we have signed paperwork, we will convert the P66 account over to the Town of Millinocket and credit card processing for both jet and avgas will be setup under the Town
- As a P66 Branded location you will:
 - Be able to accept all standard credit cards such as Visa/MC, Amex, & Discover – but also aviation credit cards such as P66 Cards, Avcard, Aircard (retail), & MSA cards
 - With a minimum base coverage of \$1,000,000 in liability insurance, the Town of Millinocket will be added to a \$50,000,000 excess aircraft fueling liability policy free of charge
 - TrustedFuel.com is a free resource that gives the airport staff instant access to a world of information on fuel-related subjects, including the latest Aviation Fuel Handling Guides & Manuals, Health, Safety & Environmental information, technical data and specifications, training tools, and links to additional industry free publications and regulations - Online Toolkit Exclusively For Our Network of FBOs – no charge
 - A complete overview of all other programs will be sent to the Town for review upon request

Jeff, let me know if there is any other information that you may need for you meeting. I have attached a contact sheet for your convenience. Feel free to reach out to your salesman, Hadwen Fuller as well as myself with any questions.

Best Regards,

Janice Sales

Product Description

AxxessAbles rolling rack cabinets are a must-have for any businesses or productions that require multiple A/V components to be organized and sorted in one portable accessible area! Universal size specifications for these cabinets are perfectly measured to fit your IT or audio visual needs. On-the-go portability make this a must-have staple for any equipment manager, touring band or business owner. This heavy duty cabinet supports up to 400lbs of gear and is made to house twelve single space components. Great for clubs, bars, restaurants, places of worship, band needs, audio technicians and many more A/V applications. Perforated side panels, and open-back design provides air ventilation and ease of access for cabling/patching installed components. Durable black powder coat finish.

NOTE: Ships flat, some assembly required.

Features:

- ✓ Solid steel parts for durability and performance.
- ✓ Compatible with American and European screw thread sizes (screws and washers, Philips screwdriver included).
- ✓ Front and rear rails.
- ✓ Open back for easy wiring/patching access.
- ✓ Locking 3" caster wheels.
- ✓ 1U single space blank panel included.
- ✓ Includes rack mount specialty screws and washers.

Servers

ITs love these cabinets perfect specs for their servers. Its open bay design and strategically targeted ventilation grills will definitely keep their gear cool and at peak performance!

Audio Visual Gear

Keeping your amplifiers and other A/V components in a spot where you can easily stack 'em and move 'em is essential!

Live Music

A must for touring acts who carry their own sound processing!

Your Heavy-Duty Equipment Manager

Roll it wherever you need it and position it as you please!

From the manufacturer

Soundcraft Ui16

Remote-Controlled 16-Input Digital Mixer

The Ui Series mixers feature cross-platform compatibility with iOS, Android, Windows, Mac OS, and Linux devices, and can use up to 10 control devices simultaneously. In addition, the Ui12 and Ui16 each feature built-in Harman signal processing from dbx, DigiTech and Lexicon, including dbx AFS2, DigiTech Amp Modeling, and more. Both models feature fully recallable and remote-controlled mic gain and phantom power, along with 4-band parametric EQ, high-pass filter, compressor, de-esser and noise gate on input channels.

Both mixers offer 31-band graphic EQ, noise gate and compressor on all outputs, plus real-time frequency analyser (RTA) on inputs and outputs. Built in are three dedicated Lexicon FX buses: Reverb, Delay and Chorus. In addition, mixer controls include Subgroups, Mute groups and View groups, among others. The Ui Series mixers feature full Show/Snapshot recall-ability with channel recall safes.

The Ui16 boasts eight XLR combo mic/line inputs, four XLR mic inputs, two channels of Hi-Z/instrument inputs, as well as a stereo RCA line input. A 2-channel USB media player is included, along with four balanced XLR Aux outputs, two quarter-inch headphone outputs with level control, plus balanced stereo XLR and quarter-inch main outputs.

- Tablet/PC/Smartphone Controlled Digital Mixer
- Integrated Wi-Fi
- Cross-platform compatibility with iOS, Android, Windows, Mac OS, and Linux devices
- Use up to 10 control devices (tablets, phones, PCs) simultaneously
- Fully recallable and remote-controlled mic preamps
- Three dedicated Lexicon FX effects processors: Reverb, Delay and Chorus
- 4-band Parametric EQ, High-Pass Filter, Compressor, De-esser and Noise Gate on input channels

Powerful Digital Mixing with Any Device

Tablet, PC, smartphone? Ui's revolutionary browser-based interface lets you use any device, in any combination - regardless of platform. Ui is fully compatible with iOS, Android, Windows, Mac OS and Linux devices. Mix on a large format computer screen, adjust in front of house on a tablet, and set monitor mixes from smartphones...it's up to you.

Save the Perfect Settings for Every Song

With Ui's Snapshot recall system, you can create the perfect mix for a show, or even individual songs, and save the settings to be recalled at will. Need a subdued, effects-laden mix for the acoustic ballad? No problem, just call it up. Then hit recall to load in the settings for the full-tilt rock number that follows it up. With advanced password protected access limitation features, you can limit users to only the functions you allow them to change.

Uncompromised Connectivity

Ui hardware is loaded with all the connectivity you'll need to run the show. XLR mic and combo inputs with fully recallable and remote-controlled mic pre's, stereo RCA inputs and dedicated Hi-Z inputs, optimized for acoustic guitars, electric guitars and basses. Outputs include balanced XLR and 1/4" main outs, XLR auxiliary outs and headphone connectivity. There's even USB connectivity for 2-channel playback and recording direct to USB storage devices.

PROVIDING FOR: Abatement of sewer fees at 135 Knox Street.

IT IS ORDERED that sewer fees in the amount of \$291.33 for a property located at 135 Knox Street, Map U04, Lot-187, be abated.

NOTE: The excessive fees were due to a faulty toilet valve which has since been replaced. This is a one-time abatement only.

PASSED BY THE COUNCIL: _____

ATTEST: _____

Memo

To: John Davis, Town Manager
From: Jim Charette, Superintendent
Date: 8/7/2020
Re: Abatement Request.

As you know, we have received abatement requests on occasion. Recently I have received a request from Fred Lewis of 135 Knox St., to abate excessive fees. The amount requested is on the abatement form itself. The request is due to a faulty toilet valve which has since been replaced. This bill was from the first quarter of 2020, prior to the elimination of the abatement policy.

**Town of Millinocket
Wastewater Treatment**

197 Penobscot Avenue, Millinocket, Maine

723-7040

Request for abatements of sewer use charges.

Name : Fred Lewis

Address : 135 Knox St.

Telephone # : 723-9733

Wastewater Account # : 143397

Amount Of Abatement Requested : \$291.33

Reason For Abatement Request : Faulty toilet valve.

Was The Water Involved In This Request Metered Or Unmetered : N/A

Date Of Request : 8/6/2020

Statement Of Understanding

By signing below, I acknowledge that I have read and understood the Town of Millinocket's wastewater abatement policy entitled "Abatements of and Discounts to the Sewer Use Charge", and that this application for such request meets the guidelines in said document.

ORDER #190-2020

PROVIDING FOR: Acceptance of the State of Maine Department of Transportation Airport Cooperative Agreement.

IT IS ORDERED that the Millinocket Town Council authorize the Town Manager to sign the State of Maine Department of Transportation Airport Cooperative Agreement. This agreement will allow the MaineDOT to install a complete General Audio Recording Device (G.A.R.D.) at the Millinocket Municipal Airport.

NOTE: A copy of the agreement is attached to this order.

PASSED BY THE COUNCIL: _____

**STATE OF MAINE DEPARTMENT OF TRANSPORTATION
AIRPORT COOPERATIVE AGREEMENT*****Non-Monetary******For MaineDOT Use Only***

Airport Name: Millinocket Municipal Airport	Agreement Begin Date:
State W.L.N. #: 023078.00	Agreement Expiration Date: December 31, 20
Federal W.L.N. #: N/A	Non-Monetary ID#: MILLINOCKET

This Airport Cooperative Agreement (Agreement) is entered into by and between the **MAINE DEPARTMENT OF TRANSPORTATION (MaineDOT)**, an agency of state government with its principal administrative offices located on Child Street, Augusta, Maine and the **TOWN OF MILLINOCKET FOR THE MILLINOCKET MUNICIPAL AIRPORT** (the "Airport"), an agency with its principal administrative offices located at 197 Penobscot Avenue, Millinocket, Maine 04462, hereinafter (the "Parties").

WHEREAS, the purpose of this Agreement is to memorialize the understanding of the Parties in connection with a project to be administered by MaineDOT consisting of the installation of a complete General Audio Recording Device (G.A.R.D.) system inclusive of Invisible Intelligence LLC (IILLC) hardware and software to be used in the monitoring of air traffic at the Airport, hereinafter the "Project".

WHEREAS, the roles and responsibilities of the Parties in relation to the Project are outlined below.

WHEREAS, the Parties will perform their respective responsibilities in support of the Project between the execution date of this Agreement and December 31, 2025 at which time this Agreement will expire.

WHEREAS, this Project has been programmed using State of Maine Transportation Funds through MaineDOT.

Select Start to begin

START

DocuSign Envelope ID: A89817D1-B801-422A-BB7A-41A127B4BFE6

NOW THEREFORE, the Parties hereby agree as follows:**1. MaineDOT shall:**

- a. Procure and directly pay for the G.A.R.D. system, which includes the following hardware, software and warranty from IILLC:

Item	Hardware Warranty
Scanner BC355n Bearcat or equivalent	1 year manufacturer's warranty via the Provider
Computer ThinkPad E595e or equivalent with Windows10 Home Edition, at least 4 GB RAM, at least a 255 GB hard drive, and 1 internal WIFI device for connection to local network	1 year manufacturer's warranty via the Provider
USB G.A.R.D. audio interface box	5 year Provider warranty
External USB connected hard drive 1 TB Western Digital (Passport) or equivalent	1 year manufacturer's warranty via the Provider
Passive ADS-B receiver	1 year manufacturer's warranty via the Provider
USB WIFI adapter to connect the ADBS receiver to the Computer component.	1 year manufacturer's warranty via the Provider
One G.A.R.D. ADS-B perpetual software license	N/A
Open source backup application, installed on computer. No license required.	N/A
TeamViewer client, installed on computer. No license required by the airport.	N/A

- b. Through the execution of this Agreement and signed delivery receipt, transfer to the Airport ownership of and responsibility for the above described Project equipment effective the date of delivery at the Airport location.
- c. Provide regular weekday monitoring of the Airport's system's basic function, notifying Airport representative if system is down.
- d. Ensure that IILLC provides the following services in connection with the procurement described above:
- Works with each airport representative to identify a suitable location for hardware installation and evaluate Internet access adequacy.
 - Pre-installs and tests functions of system, including the functions of automatic daily backup onto local hard drive and file transfer of summary data to MaineDOT.

Select Start to begin

START

information needed to verify ownership and utilize warranty. The Bill of Sale will include a signature line for the Airport to sign which will verify the date of equipment/software installation.

- iv. Schedules an agreed upon time to meet with an Airport Representative to test installation and, if applicable assists with migrating existing G.A.R.D. files.
- v. Provides instructions on use of the system, including establishing parameters for translating radio transmissions into operational assumptions (e.g. takeoffs and landings).
- vi. Provides individual and/or group training soon after system installation, which will be recorded and available for future reference.
- vii. Ensures that the installed G.A.R.D. system is operating within acceptable parameters for data quality within 15 business days of system delivery or initial staff training, whichever comes last, excluding days outside of ILLC control. *Note: Due to the technical limitations of passive ADS-B, ILLC does not guarantee that the receiver will pick up every ADS-B equipped airplane.*
- viii. Provides installation and training of G.A.R.D. software and System Check software for MaineDOT aviation staff.
- ix. Provides warranties as listed above and addresses all malfunctioning issues promptly. Warranties will be voided if the hardware and/or software referenced above is neglected, misused or stolen.
- x. Provides appropriate and necessary technical support to Airport Representative over the life of the Agreement and records technical support delivered to MaineDOT. The MaineDOT Project Manager will contact Airport Representatives who are utilizing technical support more frequently than expected. Guidance and limits on future technical support may be issued by MaineDOT.

2. Airport shall:

- a. Through the execution of this Agreement and signature on delivery receipt, accept MaineDOT's transfer of ownership of and responsibility for the above described Project equipment effective the date of delivery at the Airport location.
- b. Work with ILLC to identify a suitable location that meets temperature and humidity requirements detailed in Section 2.e and to confirm the adequacy of Internet access. The Airport is responsible for providing adequate Internet access to enable system operation.
- c. Work closely with MaineDOT's Project Manager and ILLC to prepare for Equipment delivery. Equipment will be installed Cooperate with ILLC to have G.A.R.D. and the system operational within acceptable parameters for data quality within 15 business days of

Select Start to begin

START

system delivery or initial staff training, whichever comes last, excluding days outside of Airport control.

- d. Participate in group training offered. If the Airport finds it impossible to attend, the Airport will review the recorded versions and verify in writing to MaineDOT's Project Manager that the operations counting is properly configured and is prepared to operate the system.
- e. House the equipment in a secure location where temperatures will be in the range of 64-81 degrees Fahrenheit, with relative humidity at between 40-60%, through the expiration date of this Agreement. Failure to comply with this condition may void warranties and cause discontinuation of ILLC support services. Upon the expiration of the manufacturer's warranty, Airport has the option, at its own discretion and cost, of purchasing an extended warranty, or repairing or replacing the equipment should it fail. If Airport replaces the ADS-B receiver the replacement must be purchased from ILLC. Otherwise, any equivalent hardware to that originally installed may be utilized.
- f. Provide *Team Viewer* access for ILLC to assist with troubleshooting if needed.
- g. Bring the system back online as soon as possible following any period within which the system is non-operational.
- h. Periodically review the audio transmissions collected for any safety related issues and concerns. Airport staff will address any noted concerns in a timely manner by conducting safety meetings and discussions as needed with airport staff, pilots, and any others as necessary regarding any safety related issues that arise from information captured by the Equipment.
- i. Keep records of any meetings / trainings that have occurred and make them available, at no cost, to MaineDOT or its representative upon request.
- j. Retain all records of radio transmissions captured by the Equipment for a period of three (3) years. This will be accomplished by retaining the most recent full data set on the external back-up drive provided with the system. *Note: It is recommended, but not required, that the Airport representative make a weekly backup of system data on a removable drive that is housed in a separate location for redundant data security.*
- k. Upon request, make available to Federal and State officials all radio transmission and ADS-B data captured by the Equipment, along with any information available regarding safety issues detected and how they were addressed.
- l. Ensure that any and all components of the Equipment including associated components such as the Laptop Computer and storage device are devoted solely to the functioning of this system and not used for other purposes.
- m. Be responsible for all costs associated with electricity and Internet access (installation, hardware and service charges through the expiration date of this Agreement).

Select Start to begin

START

- n. Report any concerns about system function promptly to IILLC.
- o. Participate in evaluations of the system with MaineDOT and other airports.

Failure by Airport to fulfill the terms of this Agreement may impact eligibility for future MaineDOT funding to the Airport Sponsor.

3. **Debarment.** By signing this Agreement, Airport certifies that neither it nor its principals i presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department of agency. If Airpor is unable to certify to this statement, it shall attach an explanation to this Agreement Airport shal promptly notify MaineDOT if it or its principals becomes debarred, suspended, proposed fo debarment, declared ineligible, or voluntarily excluded from participation in this transaction b any Federal department or agency.
4. **Non-Appropriation.** Notwithstanding any other provision of this Agreement, if the State doe not receive sufficient funds to fund this Project and other obligations of the State, if funds an deappropriated, or if the State does not receive legal authority to expend funds from the Main State Legislature or Maine courts, then the State is not obligated to proceed with the Project.
5. **Termination and Penalties.** MaineDOT may postpone, suspend, abandon or otherwise terminate this Agreement upon thirty (30) days written notice to the Airport and in no event shall any such action be deemed a breach of contract. Postponement, suspension, abandonment or termination may be taken for any reason by MaineDOT or specifically as the result of any failure by Airport to perform any of the services required under this Agreement to the satisfaction of MaineDOT.
6. **Notice.** Any communications, requests or notices required or appropriate to be given under this Agreement shall be in writing and may be sent via email which shall satisfy the delivery requirements of this section through express acknowledgement of receipt by the receiving party Alternatively, communications may be mailed via U.S. Mail, Certified or Registered, Return Receipt Requested or sent via a recognized commercial carrier such as, but not limited to Federal Express, that requires a return receipt delivered to the sending party. Said communications, requests or notices shall be sent to the other party as follows:

Hi John,
Thank you for letting me know. I will make note to look for it shortly after 8/13. You may receive reminders from DocuSign but if it's before the 13th it will wait. The envelope doesn't expire until the end of August so yes, between the 13th and 31st will be alright.
Thanks again,

Kim

Hello Everyone,

We've implemented DocuSign for contracts and agreements which should streamline our approval process. DocuSign requires that the Chrome Browser be used when signing a document.

Once the Agreement has been signed by all Parties, you'll receive an email from DocuSign titled "VIEW COMPLETED DOCUMENT". This is your Notification To Proceed that the Agreement has been fully executed effective the date MaineDOT signed the Agreement. You will also be able to download the fully executed copy to your files through this DocuSign notification.

We welcome all feedback regarding this new process and/or if you have any questions or concerns.

Thank you and have a good day.

Kimbalie Lawrence
MaineDOT Contract Specialist

PROVIDING FOR: One-ton truck bid award for Public Works.

IT IS ORDERED that the Millinocket Town Council award the bid for a new one-ton truck to Katahdin Motors of Millinocket, Maine, per specifications, for a price of \$53,504.75, and have Pelletier's Manufacturing install the dump body, the cost of which is included in the total bid.

NOTE: The Town received two bids:

- | | |
|--|-------------|
| 1. Thornton's of Lincoln- Dodge One-Ton | \$55,596.00 |
| 2. Katahdin Motors of Millinocket- Chevy One-Ton | \$53,504.75 |

One Ton Truck Bid Results & Recommendation

July 29, 2020

Subject: One Ton Truck Bid Results

I had put a bid package together back in February 2020 to gather accurate budget figures and interest in a bid for a new One Ton truck to replace our existing 2000 Chevrolet at Public Works.

Bid packages were sent out to four dealers in the Katahdin and Lincoln area. Only two bids came back: These were complete with chassis, dump body, and V-Plow units as stated in the spec sheet given.

Thornton's in Lincoln for a Dodge One Ton per specifications at a price of \$55,596.00

Katahdin Motors in Millinocket for a Chevrolet per specifications at a price of \$53,504.75

None of the two dealers opted to take our 2000 truck for trade. We will try to sell our used truck out for bid.

I would also like to consider a 7-year extended warrantee package at a cost of about \$3500.00.

We have allocated \$60,000 in our capital budget FY 2021 to cover the costs of the new One Ton.

I would recommend awarding the bid locally to Katahdin Motors with Pelletier's Manufacturing to install the dump body. Keeping business locally benefits everyone. Delivery date may be delayed due to Covid-19.

Can we get approval to award the bid to Katahdin Motors and to limit the purchase price to \$60,000.00 which has been allocated in FY 2021 Capital Budget?

Thank you,

Ralph Soucier, Director
Millinocket Public Works

PROVIDING FOR: Municipal Release Deed (Blue Birch Properties LLC).

IT IS ORDERED that a Municipal Release Deed is approved for Blue Birch Properties LLC, Millinocket Maine, for property located at 73 Oxford Street, Millinocket, Maine, as shown on Map U04 Lot 043, as all outstanding taxes, interest, and fees have been paid.

IT IS FURTHER ORDERED that the Town Manager is authorized to execute and file all the necessary paperwork, including signing a municipal release deed to complete the sale of the property referenced above.

Re: Real Estate Tax Map U04 - Lot 043

Mr. Michael Rowman;

As you know, your property on 73 Oxford Street has been acquired through the foreclosure process by the Town of Millinocket for unpaid real estate taxes and/or unpaid sewer invoices. In an effort to provide you an opportunity to retain your property, the Town will afford you one last chance to pay what is owed in full. The Town has calculated the total due on your property as follows:

Property Tax and Liens: 2018 to 2020	2,845.67
Sewer Invoices and Liens:	1,343.53
Other Fees:	500.00
TOTAL DUE:	4,689.20

If you wish to make payment in full to the Town on the property listed above, you will need to make payment in full on or before Wednesday, August 19, 2020. You can pay in person or mail payment in full with a money order or certified check in the full amount listed above to Treasurer, Finance Director, 197 Penobscot Avenue, Millinocket, ME 04462.

If you are not interested in making payment in full, you will receive a notice to vacate the premises that outlines the date to vacate and the Town's intention to dispose of the property. We would request you turn your keys into the Town Office at 197 Penobscot Avenue in Millinocket.

Respectfully,

John Davis

Maine Municipal Association

60 COMMUNITY DRIVE
AUGUSTA, MAINE 04330-9486
(207) 623-8428
www.memun.org

TO: Key Municipal Officials of MMA Member Cities, Towns and Plantations

FROM: Stephen W. Gove, MMA Executive Director

DATE: July 27, 2020

SUBJECT: MMA Annual Election - Vice President and Executive Committee Members

Deadline: Friday, August 21, 2020 by 12:00 noon

Nomination Process – Each year member municipalities have an opportunity to vote in the election of the proposed MMA Vice President and municipal officials to serve on the MMA Executive Committee. A five-member Nominating Committee was appointed in March to review nominations submitted by municipal officials and conduct interviews with those municipal officials qualifying for and interested in serving as the MMA Vice President and Executive Committee. The MMA Nominating Committee completed its task in May and put forth a Proposed Slate of Nominees for 2020 to member municipalities.

Petition Process – As part of the May mailing, information was also provided on the MMA Petition Process. Pursuant to the MMA Bylaws, nominations may also be made by Petition signed by a majority of the municipal officers in each of at least 5 member municipalities. The deadline for receipt of nominations by petition was Friday, July 10, by 4:30 pm. There were no municipal officials nominated by petition.

It is now time for each member municipality to cast its official vote.

Election Process – Enclosed you will find the MMA Voting Ballot which includes the proposed Slate of Nominees to serve on the MMA Executive Committee as selected by the MMA Nominating Committee. A brief biographical sketch on each nominee listed on the MMA Voting Ballot is enclosed for your reference. You will note that unlike municipal elections, MMA does not provide for "Write-in Candidates" since our process includes an opportunity to nominate a candidate by petition, as noted above.

The MMA Voting Ballot must be signed by a majority of the municipal officers or a municipal official designated by a majority of the municipal officers, and received by the Maine Municipal Association by 12:00 noon on Friday, August 21. We have enclosed a self-addressed self-stamped envelope for your convenience. The MMA Voting Ballots will be counted that afternoon and the election results confirmed under the direction of MMA President Christine Landes, City Manager, City of Gardiner.

Election results will be available by contacting the MMA Executive Office or by visiting the MMA website at www.memun.org on Monday, August 24. A formal announcement of the election results will be made at the MMA Annual Business Meeting being held Wednesday, October 7, at 11:00 a.m. Newly elected Executive Committee members will be introduced at the MMA Awards Luncheon as well as the MMA Annual Business Meeting and will officially take office on January 1, 2021.

If you have any questions on the Election Process, please contact me or Theresa Chavarie at 1-800-452-8786 or in the Augusta area at 623-8428, or by e-mail at tchavarie@memun.org. Thank you.

PROVIDING FOR: Approval to accept the Railroad Station Clock.

IT IS ORDERED that the Millinocket Town Council grants approval for the Town of Millinocket to accept the original Railroad Station clock gifted to the Town by the family of Norman Swales.

IT IS FURTHER ORDERED that the clock be located in the main lobby at the Millinocket Town Office.

NOTE: The library and the Millinocket Historical Museum did not have space available to display the clock at this time.

PASSED BY THE COUNCIL: _____

ATTEST: _____
