Hello again – Please circulate the invitation below far and wide! We'd love to get significant public attendance. If anyone's motivated to print and hang flyers, the attachment serves that purpose. Thanks for your help getting the word out and, I hope, seeing you at one of the sessions. Have a great weekend.

Over the past year, area stakeholders have guided a wayfinding concept to provide consistent, attractive, and well-placed signage that will help visitors more easily navigate the Katahdin Region and all it has to offer!

Join us to view final concepts and provide input on design and future placement by attending an interactive, 1-hour online presentation on **Monday, August 17 at 4pm or Tuesday, August 18 at 6:30pm**. [Register here](#) by 8/16 for access to the Zoom link.
