Business::

The Land and Water Grant: We did not receive this grant, the committee felt that it was deferred maintenance and that it did not qualify for a Land and Water Conversation Grant. This grant was for \$42,000 and Millinocket was going to matched the \$42,000 with a total of \$84,000. This grant was going to replace the dugouts, 10 Ft. fencing for the baselines and infield work on the Delahanty Field. The Girls softball field was going to get a new fence and infield work done. The Play Ground was going to get new timbers and surface .

Gloria C. Mackenzie Foundation Grant: We have applied for the Gloria C. Mackenzie Foundation Grant for \$79,000 to get the work done that needs to be done on all three fields..

Review Budget: We have not met with John on the budget yet. There is some work that needs to be done at the Pool. We want to replace two windows that look out over the pool, they crank out over the deck and we feel that they could be a safety issue. The price will be around \$800.00 to replace. We also need to Change three check vales in the pit, drain the pool and acid wash it due to some staining . The total cost will be around \$8,047.00.

Summer Employment: We are still looking for more employees for the summer season. We are going to call the employees from last year to see if they're coming back to work for us. We also have put applications in both high schools.

Winter fest: The activities for winter fest went well.

Easter Egg Hunt will take place Thursday April 9th, at Granite Street School, and Friday April 10th, at Opal Myrick both are at 4pm. The Easter Egg Hunt is open to pre-school to grade 4.

After School Program started on February 25th, starting with Basketball .We do grades k-1 on Tuesdays at Granite Street, k-1 on Wednesdays at Schenck, and Grade 2 at Granite Street on Thursday, for three weeks.

Dances: The dances will take place on March 6th with the father and daughter dance at Saint Martin's, and March 7th with the mother and son dance at Medway Middle School , both dances are from 6:00-8:00 pm.

Committee Concerns: They were no Committee Concerns.

Motion to adjourn made by Warren seconded by Robin at 9:28am 4-0 in favor.
