Discuss Budget: There's going to be some increase in the budget this year. Jody is trying to keep John full time at Recreation, trying to get the skating rink hut open on Friday Saturday and Sunday nights and February vacation, trying to have a part time maintenance person for 30 hours a week, added \$1,000 in the Recreation Contract, and added \$3,000 in the pool maintenance line to paint the pool.

Capital expense request: Jody put in \$23,000 for a new pickup for John and \$36,000 for tennis courts to be resurface.

Ball field Renovations: Fence Company just got done putting the canopy on at the softball field, the boys field just waiting for baseball season to be over so they can put up the new fence and the coed field just waiting for the backstop to be replaced and 100ft of 8ft fencing down both baselines.

Lassie League Softball: Need more kids to have three teams. As of right now we have 25 kids that sign up and it's enough for two teams and the first game is on May 4th.

Committee concerns: Josh wanted to know if we have a enough summer employees, Robin wanted to know if we are taking reservations again at the pool this summer and Tom is concern about the budget will be flat this year.
