

Youth Committee meeting

August 10, 2021
LOCATION: MML

Attendance:

Steve Golieb- Present
Matthew Bragdon- Present
Elina White- Present
Dylan Evans- Present

Guests:

Kyle Leathers (East Millinocket Selectman)
Jane Danforth
Brittany Grutter
Youth from the community

Meeting start time: 1:30 PM

Notes:

Continued discussion on possible locations. Jane Danforth mentioned a baptist church that might be a good location to use an indoor basketball court. Kyle Leathers mentioned that we should identify existing resources that could be made available now.

ATE PIZZA!!! From Katahdin General (delivered).

Discussed a meeting held the previous Friday between town leaders in the region at DesignLab. Many of the youth that attended felt overwhelmed and discouraged. The larger “community center” discussion seemed to overshadow our plans and may come to fruition be too far in the future. Steve Golieb mentioned that the larger community center discussed doesn’t have to mean stopping progress made at the youth committee-- that materials/equipment could eventually be transferred over to community center if it ever gets built. Steve mentioned that nothing has been

done for the youth for decades and it's not something that can be put off any longer. Timeline is within next few months to identify funds and location.

Steve introduced the youth committee instagram page and asked for ideas for the profile picture. Youth mentioned they want to design a logo. Steve said he will notify library that next meeting the committee will use computers to design logo-- potentially invite someone with graphic design experience.

Steve asked youth to find ideas for the youth center and post/tag pictures to the youth committee page.

Closed meeting
