Business:

**Discuss summer programs:** The pool season went extremely well, and our attendance was very good. Aaron Hutchins is giving up his summer position for next year, so we will be looking for a new summer supervisor. Due to covid we did not do any bus trips this summer. The lunch program ran from the third week of June to the first week of August. The time we served Lunch was Monday-Friday from 10:30 to 12:00noon. We had consistent numbers every day.

**Discuss Fall Programs:** We started after school youth soccer for grades k-4 on September 7<sup>th</sup> at the Medway Recreation Field. This program will run for six weeks. Youth soccer, Little Giant Football and the youth field hockey had very good numbers. Since Medway Middle has offered our 5<sup>th</sup> and 6<sup>th</sup> graders the opportunity to play middle school soccer, we do not have enough players for our travel team.

**Temporary Maintenance Position:** We hired Jeff Cole as the temporary maintenance position, and he started on September 13<sup>th</sup>.

**Ball field Renovations:** The fence company started the baseball field on September 14<sup>th</sup> and will completed this fall.

**Tennis court:** The tennis courts have been resurfaced, new poles installed, and new nets put on.

**Committee Concerns:** Robin wanted to know if we were going to be passing candy to the kids at the school and wanted to know if there's going to be Halloween this year.
