Business:

Little Pro: Little Pro started on November 6th. Millinocket has decided to go back to girls' and boys' teams instead of co-ed teams and will be playing games in both Millinocket and Medway. So far, the season is going well.

Santa Calling: We will be mailing out Santa calling after Thanksgiving, and we will be having Santa calling on December 21st at the Recreation Office at 4 P.M.

Wreath Lighting: We have permission to do wreath lighting this year. We will be at Granite Street School on December 8th, Medway Middle on December 9th, and Opal Myrick on December 10th. We will be passing out candy canes, hot chocolate, Pop Corn, and we will be reading the night before Christmas before we light the wreath.

Capital Improvements: The fence on the boy's field is all done, all is left on the boy's fields to do is to put the fence cap on and that will be done in the spring. The Co-ed field needs a piece of the fencing on the 3rd base line and fencing by the dugout on the 1st base side. Jody is waiting on a quote for a gate for the rec complex by the basketball court and waiting for a quote for a new truck for John.

Committee Concerns: Robin wanted to know about the marathon and Sno-day in February.
