a. In favor

5. Vote from the Committee

a. TBD

Project Background

ORIGINS

The Events Committee has decided to make this Fourth of July extended weekend one to remember. By doing so we are requesting the side streets be closed for the Fourth of July parade and July 3rd. On July 3rd the streets would be closed from 11AM-5PM for the entirety of the event and Poplar Street would remain closed for the entire day. On July Fourth all the sides streets would close for the morning until the parade was over. See the attached flyer for the events being hosted around town. Please keep in mind more events may happen throughout town, the ones mentioned in the flyer are the ones made aware to the Events Committee at the time of these orders.

NEXT STEPS

The Events Committee will put in to action the plans and events made throughout the year to host a Fourth of July weekend to remember!
