Good morning Amber, I will do the sign for the cost of materials and I will donate the labor. The cost of Vinyl only for a 4' x 8' sign is \$100.00. The town will have to supply the sign board itself.

Thank You !

Good morning Jeff,

Where you able to provide us a rough cost before the sustainability committee meeting today? I have condensed the rules and have attached those as well.

Thank you,

Could you make us a 4x8 sign with the title "Town of Millinocket Dog Park" with the rules below:

DOG OWNERS are financially responsible for medical treatment of injuries caused by their dog. You are legally responsible for your dog's behavior, and you alone are responsible for your dog's safety and well-being. You enter this park at your own risk.

The **TOWN OF MILLINOCKET** is not responsible and shall have no liability for the acts or omissions of individuals or their dogs that utilize this Dog Park.

1. The Dog Park is open from Dawn to Dusk.

2. If your dog seems timid, overly aroused, stressed or aggressive, please remove the dog from the group area immediately.

3. Dogs must be vaccinated for Rabies and other vaccinations as recommended by their veterinarian. Dogs must be licensed by their Town.

4. Dogs must be leashed when entering and exiting the Park.
5. Owners must carry a leash at all times.
6. Owners must accompany their dogs inside the fenced area, and keep them in sight at all times.

7. Owners must clean up after their dogs and properly dispose of waste, as required by Town Ordinance

8. No more than two dogs per person may enter the group play areas at any one time.

9. No food, dog treats or glass containers inside the fenced areas.

10. No digging. Immediately fill any holes that your dog digs.

11. **Prohibited from this Park at all times:** Puppies under 4 months of age. Any dog showing signs of illness, females in season (in heat), and aggressive dogs. No bicycles, skateboards, roller blades, strollers, motorized vehicles, or pets other than dogs.

12. Dog Park users may ask anyone not abiding by these rules to leave the Park.

13. Infractions of any of these rules can result in temporary or permanent loss of Park privileges. All State statutes and Town Ordinances apply. Please direct any concerns or questions to Town Manager

With the Millinocket logo on it! Call me if you have any questions!

This might have been your first sustainability meeting! The proposed rules are included in the dog park presentation attachment.

I think for Jeff, I'll be good to understand approximate cost ahead of time, materials, etc. maybe a 4x8 sheet with 2 4x4 posts or something. If there needs to be any modifications to existing images he has from designlab to make adjust for the top of the sign, I'll approve it. "town of millinocket dog park" or something with the logo... maybe the mountain? Then list the rules. The rules I think should be a discussion in the committee. Some are unnecessary, like "no kids under 6". But if that can be finalized in the meeting and included with the recommendation, we can get moving ASAP with installation. I think public works has another pet waste receptacle we can use. We can look at benches and other things in the spring.

Lots of thoughts just came out! Haha have fun. Thank you!

Hello all,

It looks like Friday the 15th of April is the best time/date for the next committee meeting. This meeting will be IN THE MANAGER'S OFFICE as opposed to the library, just FYI. It wasn't available then unfortunately. I've attached the agenda and some supporting documents with more to come.

Diana and Sam/Mallory, please post accordingly.

Thank you,
