RECYCLING

Did you know that recycling helps to offset the high cost of operating the Transfer Station? It's a win-win for the Town and the taxpayer! It's also better for the environment, of course!

What can you recycle?

- | | | |
|----------------|-------------------|-----------------|
| ✓ Cardboard | ✓ Magazines | ✓ Mixed paper |
| ✓ Plastic jugs | ✓ Paperback books | ✓ Office paper |
| ✓ Tin cans | ✓ Phone books | ✓ School papers |
| ✓ Newspaper | ✓ Box board | ✓ Junk mail |

TRANSFER STATION

Tires

Up to 14".....\$2 each

15-17".....\$4 each

18-22".....\$10 each

Demolition Materials

Residential only, no commercial projects, or large amounts.

Material will be accepted from small one-room remodeling projects due to budget restraints.

Larger projects and house tear-downs will have to make other arrangements to haul their material to a licensed landfill at their expense.

Bricks, cement and toilets go into a separate pile.

Carpets and siding must be cut up 4'x4' before entering the hoppers.

Shingles

\$50.00 per level pickup load.

Must be clean without wood, paper, plastic or metal.

Freon Appliances

\$10 each

Burn Pile

Wood, pellet and wood ash are allowed in the burn pile. Furniture with fabric, mattresses, box springs and pressure treated lumber are not allowed in the burn pile. Those must go in hopper. Keep pile clean. No nails, lumber or trash.

Universal Waste

Tv's, computer screens, light bulbs, mercury switches are collected at no charge but must go into the brown garage building next to the recycle building.

Unacceptable Wastes

Asbestos, gasoline, antifreeze, rimmed or large equipment tires. Please keep brush pile clean! No nails, lumber, or trash.
